Millersburg Military gives semester review

A special to the Carlisle Mercury By: Coach Seals

MMI had a surprisingly "Successful" semester with an 5 - 8 record. To meet coaches a 5 - 8 record would be disappointing but to first year coach Stephen Seals the 5 wins is the most by a Cadet team in the last 11 years. We had a decent semester but the flu and our schedule (6 games in 9 days) really hurt us. I told our kids we could have a losing record at the break and still end up with a winning record. Our system is hard to pick up on and we played some pretty decent clubs. At times I get frustrated but I knew this wasn't going to happen overnight. The program has been really down for so long and nobody expected us to win more than a couple games this ENTIRE year. I feel if we play well and improve on our pressure and rebounding we can honestly play with every team on our schedule after the break. Our goal was a winning season and it is definitly within reach if we work hard. We only play 6 or 7 people on the varsity and running our system we really need 8 to 9 with a few athletes. We are lead by the dynamic Junior duo of Guard's Ronnie Willoughby who is averaging 20.3 pts and 3.5 Ast (with a school record of 10 against Estill) and Jimmy Johnson who averages 22.8 pts and 15.1 rbs. Those two kids really work hard on and off the floor. Ronnie shoots it as well as any kid I have ever coached and we have to get him more shots. I am looking forward to next semester and hopefully our kids can rest up and come back healthy.

"At times I get frustrated but I knew this wasn't going to happe overnight."

Program provides housing for 335 families

Thomas G. Fern, state director for Rural Development (formerly the Farmers Home Administration) states Kentucky will target 30 percent of Guaranteed Rural Housing (GRH) Funds allocated to the state during Fiscal Year 1997.

The targeting of GRH funds will make financing available for many low and moderate income families who have no means of owning a home in the 58 targeted counties.

The targeted counties for the Flemingsburg County Office are Bath, Fleming, Nicholas, Robertson, and Rowan counties. Further information on the program may be obtained from the Flemingsburg RHS County Office located at Route 2, Box 27A, Flemingsburg, KY 41041. The telephone number is (606) 845-2851.

The allocation for the guaranteed Rural Housing Loan program for Fiscal Year 1997 has increased to $61,488,000. The Guaranteed Loan Program targeted percentage is $18,446,400. This pool of reserved funds provides guarantees to Lenders who make 100 percent loans to families with incomes not exceeding 115 percent of an area's median income for the purchase of a new existing home. The Guaranteed Rural Housing (GRH) Program targets families who do not have a downpayment and makes financing available for purchasing a home at a fixed rate of interest with a repayment period of 30 years.
