DEMOCRATIC TICKET.

AUGUST ELECTION, 1888.

For Sheriff—F. B. HENRY.
Deputy Sheriff—S. A. RATLIFF.
Constable—JOHN HARVEY.

Silver has been discovered in Scott County, Kentucky, and assays $60 to the ton of ore.

THE pride of the people in President Cleveland is due to the fact that he is honest in a corrupt age, and steadfast in the midst of a sea of caprice.

KENTUCKY is for Sherman. That is not much of a compliment to her neighbor over the river, but it is the fact that the coming State Republican Convention will verify.—[Louisville Commercial.

THE Governor of Texas has announced his intention of calling an extra session of the Legislature, for the purpose of determining what shall be done with the surplus in the State Treasury, which now amounts to $1,000,000.

The residence of Mr. Henry E. Woolfolk, at Danville, was destroyed by fire Friday, together with the wedding presents to Mr. and Mrs. Pearce Butler, who had been married in the house the night before.

SENATOR VOORHEES says that he is not a candidate for Vice President, nor is Ex-Senator McDonald, so far as he knows. "The Indiana Democrats," says Mr. Voorhees, "have but one candidate for Vice President, and that is Gov. Gray. His name will be presented to the National Convention by the solid delegation from the State."

TATE MATTERS.

There is but little change in the news from this matter, and the defalcation still stands at about $200,000, with his private vault not opened, which will not be done for several days.

The Tate whisky has been found at Eminence, amounting to about 100 barrels. It is in bond, and could be hypothecated for probably $2,500.

No news of the missing man's whereabouts is definitely known. It is rumored that his wife has received a paper from him bearing the Montreal postmark.

Judge S. G. Sharpe, of Lexington, has been appointed and confirmed as Treasurer pro tem.

The Legislature has commenced work again in earnest, it being so badly shook up by this affair that every one seemed to have lost their head.

The J. W. Tate whisky stored in Louisville, was attached Tuesday, in favor of Tate's bondsmen. This is the whisky (300 barrels) that belonged to Tate and Hewett.

CASSIDAY CREEK.

Born—To the wife of Robt. McIntire, March 18th, a daughter.

The measles are still raging in the vicinity of Myer's Station.

Married—At the residence of Wm. Cannon by Rev. Samuel Hollar, March 22nd, Mr. Fitch Williams to Miss Sarah Cannon.

In company with some of our neighboring farmers we attended Flemingsburg Court Monday. A big crowd in attendance, a good supply of stock on the market, and trade moderately good.

BONY.

MOOREFIELD.

J. M. Howe has returned from his visit in Missouri.

J. M. King is making picket fence to sell to the public at fair prices.

The new building of J. S. Wilson is completed and occupied by a family who are going to raise tobacco.

Dr. O. S. Kash is erecting a barn on his premises.

Mrs. C. S. Templeman came very near being poisoned by inhaling "Rough on Rats."

Branch & Cole were visited one day last week by Hockinger, the clothier, of Maysville, who sold them a nice lot of Spring goods.

CITY CASH STORE.

James A. Chappell.

FOUNDED IN 1825.

"ESTO PERPETUA."

I am glad to say we have plenty more tobacco cotton at last. The City Store has already disposed of twenty-five thousand yards. We telegraphed to Cincinnati last week for five thousand yards more but did not get it until Tuesday. On Saturday we telegraphed to Philadelphia for five thousand yards. So that our whole purchase for the Spring of 1888 has been thirty five thousand yds. We are like the fellow that wanted a wife—he wanted her bad. We wanted that Tobacco Cotton bad, just because we knew the farmers in the bluegrass region wanted it. We shall stand by the great agricultural interests of the country 'till the last ditch.

We are doing quite a nice little business in Spring Jackets; have samples of goods and styles to make them by. Also the pretty little beaded wrap of which we have a fresh supply. Jersey Jackets are very popular everywhere, and we still keep them in stock at prices from $1 up. We call especial attention to our Black Lace over dress goods, both in wool lace, black silk, Guipure, and Chantilly. Also our stock of Black Silks at 95cts per yard and up. Also our stock of colored Silks in all new shades. Our two dollar bright Dongola Kid Shoe for the ladies is beyond all praise. Ziegler Brothers fine custom Kid and Goat shoes always on hands at lowest prices. Men's plow shoes of all grades at popular prices. A big stock of carpet chain always on hand in all colors. Floor oil cloths have advanced 10 per cent. owing to advance in linseed oil, but we are still selling at old prices, from 25 cents a yard and up. Cheap carpets and mattings. In our upholstery department will be found the handsomest Curtains, Curtain Laces, and materials for all sorts of fancy work. New line of gents shirts both laundried and unlaundried. Casimeres for men and boys wear at very low prices. Men's and boys cheap Hats. Men's gauze undervests. Men's Spring weight Merino undervests. All kinds of Embroidery materials, Zephyr, Arrasene, Filaselle, and all colors Knitting Silk. Our stock of ladies wool dress goods is splendid. French Satteens, American Satteens from 10 cents per yard up. New styles in combination wash goods. Ginghams of every quality and style. Red Table Damasks, White table Linen. Ten quarter Linen sheeting. Our all linen towel at 12½ cents are world-beaters. White Counterpanes at $1 and up. An immense variety of Notions, Ladie's, men's boy's and Misses, Gossamer rain coats, new stock of umbrellas and parasols. We must not forget to announce the arrival of the new Spring style Silk Hats, gents will please call and see them. Besides all this we have a vast variety of goods which we could never enumerate. Take us all in all, ladies and gentlemen, you will find us hard to beat, wide-awake, watching the market like a chicken-hawk, and always ready to pounce down on a bargan ourselves. We can thus give all competition a hundred yards the start and then beat 'em in the race, coming in under the string full two lengths ahead. John Wanamaker, of Philadelphia, bought out Hood, Bonbright & Co.'s immense wholesale stock, and offered the whole lot at great bargains. We got in on the inside of a lot of the goods and the people will find them very shortly, on the counters of the City Cash Store.

J. A. CHAPPELL,
City Cash Store.

IT is stated that Jailer Williams, of Hamilton County, Ohio, has been charging Ben Hopkins, of Fidelity Bank notoriety, $10 a week for board besides the $3 he draws from the State. The matter was brought to the attention of Judge Sage, who communicated with Sheriff Shott, and the result was that that official gave the jailer to understand that he could not abuse the privilege of his office in that way.
