CITY CASH STORE.
James A. Chappell.
FOUNDED IN 1855.

"BEST PERPETUAL"
The highest price we have ever had comes from folks who have been in the Expedition, returned from Bell, Shaysburg, and Woodfield neighborhoods in having to get away from the city. The reason for this is that the goods were so scarce, and the prices were so high, that the folks who returned from the Expedition were unable to buy any more of the goods. The reason for this is that the goods were so scarce, and the prices were so high, that the folks who returned from the Expedition were unable to buy any more of the goods.
