the sun is shining brightly

and the air is full of heat

and the ground is parched

and the crops are withering

and the people are suffering

and the animals are dying

and the world is in a state

of confusion and distress

and the only way to escape

and the world will be

in a state of peace and

prosperity and the people

will be happy and contented

and the animals will be

healthy and strong

and the world will be

in a state of peace and
