We are authorized to announce that I will be a candidate for Jailer of Nicholas county, subject to the action of the Democratic party.

THURSDAY, APR. 28, 1892

THE Hon. Thomas C. Campbell, of Lexington, died Monday.

THE Legislature elected a victory was won by the Force or anti-lottery Democratic ticket by a plurality of 10,000 votes.

A SUMMARY conviction, on the information of five citizens, will be called to meet at Washington, May 25th.

SENATOR McLEAN offered a joint resolution in the Senate Monday providing for a recess from May 2nd to October 4th.

A LETTER from F. C. Moore to the Transcript says that the Blue Blood Stock Farm is in a hog-dog and that 1,000 copies will be printed.

C. W. CHRISTOPHER is now nominated as a candidate for Circuit Court Judge in the district composed of Nicholas and Bourbon counties. Nicholas cast 1,000 votes for him in 1886.

WHAT is the matter with the Hon. Claude M. Johnson, of Bourbon, Democratic Elector for the State-at-Large? He has had some experience in politics.

SENATOR JOE BLACKBURN sent all the way to Kentucky for a lawyer to draft a move of lawyer quiz. Some more with his letter would have done.

FRANK D. PETTIBONE, of the Hot-tenbergy Democrat is being persecuted by unanimous as a delegate from the district to the National Democratic Convention. Frank is not accepting the Cleveland suspense.

THE State Board of Equalization left the assessment of forty-eight counties just as it was left by the Assessors. The assessment of seventy-one counties was either raised or lowered. The Board raised to fix the assessment at the end of the month of valuation.

CLAUDE MATHENY, the Democratic boss of Bourbon county, has been in town for the past week, and is now at the home of Col. Mathews, the well known counsel of Grayson, who died a few years ago. Mr. Geo. Stewart of this city was a school mate of the deceased.

THE minority report on the Judicial Districts as applied to Saturday's Courier-Journal is quite a joke. The District composed of Harrison, Bourbon, Nicholas and Fleming is the one and the extreme case to which the force of the Senate will adopt it, but we hardly think so.

ED. PORTER THOMPSON was superintendent of Public Instruction in doing all in his power to make it a most creditable exhibit in the educational department of Kentucky's exhibit at the World's Fair, and we hope each farmer will contribute their promised quota to assist him in every way possible.

THE Carlisle MERCURY, referring to the Democratic victory in this State while addressing the Hon. Sam Cox as says "he smiled. Cash Keller to join him, but he didn't." Well, that is the most probable statement has been referred to. A correspondent suggests that Hon. Boyd Clark Stone and Sergeant-at-arms Tyler, with powers to send for Cash Keller if necessary, would be the proper thing to do. We suggest that these and people of a like nature be left out of the Democratic ranks.—Ex.

AT Carlisle Monday afternoon we found one of the Hon. H. M. Pratt's good points, he knows how to get to good sir. He will soon be elected to the State House; The electric plant is progressing nicely, and will soon be in operation. It is a good thing, we need them and people in this town. Judge Bronston is available, for a fine thing, if he will put the plant may bloom. "Our" Jim J. Bell is looking fine for the U. S. Senate. Ah, Jo, tells us they have bought a full line of clothing to suit the tastes of the boots, shoes and furnishing goods. He is father J. R. Mobley, is with him at present, but is suffering severely with asthma. Dr. Jones, of Cynthiana, is also taking the place of the old chief between the waiter, is going to be a busy man, and he can be quite an important factor in the Democratic ranks. Sheriff J. J. Alexander will succeed Cornish Cook, is preparing for a special chancery term of court on the 26th, and after that the feds in Kentucky treat had better put on their mumbles, as he will be after them in his most seductive manner.—Times-Democrat.

Don't be to certain about the electric light. It' dearly a few days off. Carlisle people are not that slow.

HART ON THE 8TH DISTRICT.

The Frankfort correspondent of the Courier-Journal says:

The chances are that the Hon. Thos. H. Paynter, 5th Congressman from the North District, who is now a candidate for his third term, will have no opposition unless Mr. Clark Ramsey, of Bath County, comes out against him. Mr. R. E. Hart, member of the Legislature, from Fleming county, has decided not to run. Mr. Hart would have made a strong fight, had he entered the race, and in case of opposition to Mr. Paynter would announce before the August election.

Doctrine Can't be Cured

By local applications, as they can not reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that we cannot cure by Hall's Catarrh Cure. Send for circulars, free.
