HARRISON'S RECORD
Men and Missions of the Province.
The Annual Report of the Province of Kentucky, 1928-29, is now available. It contains a full and complete record of the work of the province during the past year. It is a valuable reference work for all those interested in the history and progress of the province.

CURAN PATENTS
About to Issue a New Era
The Curan Patent Office is now issuing a new era of patents. These patents are designed to protect the rights of inventors and to encourage the development of new and useful inventions. The office is now accepting applications for these patents and is offering special rates to inventors who are interested in this new era of patenting.

THE BEST PLAN FOR OLD AGE
To insure a comfortable old age, it is essential to have a sufficient amount of money to live on. The best plan for old age is to invest your money in a safe and profitable way. This can be done by purchasing a life insurance policy or by investing in a trust fund. Both of these methods provide a steady stream of income that can be used to support you in your old age.

A REVISED PLAN
The revised plan for old age is now available. This plan is designed to provide a more comprehensive and secure way of providing for your old age. It includes a variety of investment options and is designed to meet the needs of all individuals who are interested in securing their future.
