Selling Out at Cost.

The entire stock of Dry Goods, Clothing, and Shoes must be sold by January 1st 1893, as on that day the partnership existing between A. Urdansky and G. L. Heyman will be dissolved, one of the two remaining in business here.

Bear in mind the goods will be sold

AT COST,

As the stock must be converted into cash to settle the partnership.

During this Sale No Goods Will be Charged,

And all accounts due us must be settled immediately.

This is no advertising scheme, but a firm resolution which will admit of no change whatever.

This will be one of the greatest Closing Out sales ever held in this city, as a complete stock was bought for Fall and Winter, without knowledge of the approaching change.

Come and Avail Yourself of this Opportunity.
