Justice to All.

It is now apparent to the Directors of the World's Columbian Exposition that millions of people will be denied the pleasure of becoming the possessors of

World's Fair Souvenir Coins

The Official Souvenir of the Great Exposition—

The extraordinary and growing demand for these Coins, and the desire on the part of the Directors that equal opportunities may be afforded for their purchase, have made it necessary to enlarge the channels of distribution. To relieve themselves of some responsibility, the Directors have invited

THE MERCHANTS

Throughout the Nation to unite with the Banks in placing Columbian Half-Dollars on sale. This is done that the masses of the people, and those living at remote points, may be afforded the best possible opportunity to obtain the Coins.

THE FORTUNATE POSSESSORS

of SOUVENIR COINS will be those who are earliest in seizing upon these new advantages.

$10,000 Was Paid For The First Coin

They are all alike, the issue is limited, and time *must* enhance their value. The price is One Dollar each.

HOW TO GET THE COINS:

Go to your nearest merchant or banker, as they are likely to have them. If you cannot procure them in this way, send direct to us, ordering *not less than Five Coins*, and remitting One Dollar for each Coin ordered. Send instructions how to ship the Coins and they will be sent free of expense. Remit by registered letter, or send express or post-office money order, or bank draft to
