ANNOUNCEMENTS.

FOR SENATOR.

We are authorized to announce Hon. W. M. MOORE, of Harrison County, as a candidate for State Senator, subject to the action of the Democratic Party.

FOR REPRESENTATIVE.

We are authorized to announce JOHN T. SCOTT, of Nicholas County, as a candidate for Representative, subject to the action of the Democratic Party.

The Capital was in error and Frankfort still remains the seat of Government.

Without a doubt the Legislature will adjourn on the 3rd and a day of long dull work.

It is said in Frankfort that ex-Gov Proctor Knott will decline the Hawaiian Mission. His latest telegram to that effect, makes his acceptance of the handsome employment improbable.

Illness in the State Board of Equalization has added to Nicholas county real estate and personal property $9 cents on the one hundred dollars—this on money and personal and 5c on city real and personal. We head well, for our neighbor Robertson was raised 21 cents.

The President made the following appointments: To be Collector of Internal Revenue: Joshua D. Powers, of Kentucky, vice Thomas Jefferson Smith, of Kentucky. To be Judge Agent: John Roe Young, of Kentucky, at Fonn Agency, in Arizona. The latter is a former citizen of this city.

The Courier-Journal of Thursday says: "The backers of New York are considering the question of issuing clearing-house loan certificates as a means of relieving the financial stringency. The plan is to issue certificates pro rata to the backers of the principal cities to adopt the same policy. The heavy demand for money from the West and South is being felt in New York. It is estimated that $14,000,000 has been sent out in the past ten days.

The Courier-Journal correspondent from Frankfort, with reference to re-districting the State, says: "Representative Hart, of Fleming, is hard fighting. He was a member of the House of Representatives when the first re-districting election over which the fight was made, to day, and it was by his efforts at least two of the districts here were so wound from the Democratic as to make them Democratic. He, with the others, lost on the Democratic vote to-day, but the matter is not finally settled yet, and will be brought up again. Mr. Hart has one prominent opponent—he is a Democrat, and he never tires in fighting to give Democratic districts. He has been in the service long enough to be a wise worker, and it is not unlikely that he will win his point.

A New Capital

A special from Frankfort under date of the 19th says: "Hart, of Fleming, introduced a bill in the House to-day to employ talented counsel to frame an amendment to the Constitution and provide for the submission of the amendment at each vote.

The bill provides that the Governor shall select three persons to have charge of the amendment, and he shall be known as the "Capital Board." These men shall each and every day when legally employed. Refer and in the session to the State Treasurer and House of Reform.

Mr. McGregory and other members have given notice that they will oppose the bill, as it is intended to create a competition with honest labor."

An Investment That Will Pay.

McLean county recently voted to issue $150,000 in bonds to build a court house and jail. Bonds were issued and sold, and the work is progressing rapidly. Recently the contractors for the stone work struck a ledge of rock that they could not work with profit, and they asked the court to release them from their contract. This was refused, and they threatened to quit work. Then the court ordered the sheriff to take charge of the work and employ convicts to complete it. The contractors then concluded to go on with the work.
