THE whisky war has broken out in South Carolina. South Carolina is good part to start a fight. It has a lot of experience in this business.

PENSIONER BLACKBURN, Assistant Brown and Congressman McCreary, the three candidates for Senator are all graduates of Centre College.

DEMOCRATIC voters should remember that the polls open Saturday at sixthirty and close at 4 o'clock. So make sure early so there may be no excuse for squabbling.

COL. WALTER EVANS will be the Republican candidate for Congress from Louisville. The Colonel has had a hand in politics for several years and we trust November will not be the last of several years to come.

Now is the time for election fever. Don't believe a word any body here or elsewhere says about candidates, or about what their friends are doing or saying. Vote your honest convictions if your man don't get for your vote.

THE officers of the Primary Election should be very careful Saturday. Note that Democrats should be permitted to vote, and there should be nothing but a fair count. We want to give fair warning now, that the officer who is dishonestly near Saturday will be exposed to the public, no matter if he does vote dishonestly for or against. Tis time for wrong doing of every sort to cease.

On the ground that Corbyn failed to comply with the requirements law, Attorney General Hendrick has notified the following corporations to discontinue business in Louisville: Indiana Mutual Building & Loan Association of Indianapolis; Kentucky Loan & Investment Company of Louisville, Kentucky, and the Lower Block Mutual Building and Loan Association of Cincinnati, Ohio.

SPEAKER CRISP Saturday declined the appointment as United States Senator to succeed the late Senator Colquitt. He gave as the reason for his decision the fact that he was one of the Democratic members of the House Committee on Ways and Means and could not be Speaker for the reorganized Democracy.

Contradicted.

I desire to contradict the false report now being circulated that I have withdrawn from the race for Jailer, as such is not the case. I am in the race, and will be until the polls close on the 7th day of April.

W. A. ESHON.

IT looks as if the Democrats of the Ninth District were going to do a very sensible thing in sending Hon. R. E. Hiatt to Congress without having a contest for the nomination. It is fitting that he be given a unanimous vote of the state to select a man of such genuine ability and usefulness, for it will be a compliment which Mr. Hiatt will highly deserve. He will be a valuable man to first in Congress as he has been in the Legislature.—Frankfort Capital.

EVERY Democrat should vote Saturday, so that a full expression of the party will be had. Every man voting should be determined that every other man shall have to make the record more at the little paper following their name or the person you seek to vote for. Remember this. Take your time to vote, mark the ticket and mail just as you would a letter. Don't mail but one ticket, and don't vote any more than your number in each district. Be careful to mark your ballots so that there will be no chance for fraud or other irregularities, and see that your name is on the list of voters. Now don't forget to mail your ballots. Don't forget to vote. Don't forget the name of the man you want to support.

HON. M. E. WORDEN, Republican, from this district, settled up his affairs last week, and judging from the figures presented by Auditor Norman, he left a deficit in the City Mt. Sterling treasury, the reputation of being one of the most reckless officials that ever handled that institution's funds. He worked it to the good of the people whom he was chosen to represent, and the people have asserted in the premises of ascertaining the amount they owe him for looking after the good of city. Such men should not be kept in this county and Notable speech, for they are a disgrace to the party they work as a high-class Democratic advocate.

We join our neighbor in endorsing Mr. Worden. He attended to business promptly and with intelligence, and his people have no grounds for complaint against him.

Committee Meeting.

At a meeting of the Nicholas County Democratic Committee held in Carlisle on Feb. 3, 1894, the following committee was appointed: W. A. Payne, J. T. Matthews, Wm. McVey, J. L. McDonough, Jno. Powell, Ben Gunnell and Thos. M. Hopper.

The committee elected that the subject of deciding as to whether or not to hold an election for the officers of the primary election be left with the Hon. Democratic Club. Their decision was adopted.

Ask—That Rule, Taylor's place be filled by Samuel E. Hudson No. 1, be appointed Police Judge, for the unexpired term of Judge Kelly, and the same was adopted upon motion of T. F. Nelson.

And—That Richard Wilson, who had been elected as sheriff in October, 1893, but failed to take charge of the office, be appointed to fill the vacancy caused by the death of Sheriff Kelly, and that the Democratic Club of Carlisle be requested to endorse the appointment of Wilson.

Upon motion of Mr. Nelson the committee met in the parlors of the Carlisle House and upon motion of T. F. Nelson, Jno. Powell was elected chairman of the committee.

Motion to adjourn until Monday April 9th, at 10 o'clock a. m. was carried.

W. A. PAYNE, Chairman.

T. M. NEW, Secretary.
