I pay cash for most all I buy and get all available discounts I can, and in return more than give the discount to my customers as cash. I pay for LIGHT CASH.

TO THE FRONT.

To those who are owing me either by notes or accounts I need money to run my business, and if you can't pay all now, pay a part at least and settle balance by notes. Every one ought to make an effort to come up every six months, so say nothing about the 12, and while I appreciate my CASH Customers I don't forget those who pay promptly when their accounts are due. I surely can depend on you, and will always try to do my best for you.

For the present I want to sell all I possibly can FOR CASH, and only want to run accounts with prompt paying customers. So you show some sense to the front, or you may get left. Pay up and it will make you feel good.

BUYING A PLOW

Is a matter of importance to the farmer. Good Plows Mean Good Crops. Buying a plow that will always get repaired is also a matter of importance. Many farmers have plows almost new that are worthless because the factory is closed out—and they can't get repairs. The OLIVER is sold with a written guarantee to be the best chilled plow on earth. The Oliver is the oldest sort by far the largest plow factory in the world and is a full guarantee to be the Best, and you are sure to get repairs at all times when needed.

Farmers that have lots of stock and cannot afford to plow, should choose for their steel plow the Little Giant, which is the very best steel plow that comes to the market, being the strongest, lightest and evenest draught of any. They are sold with a full guarantee to be the Best, and for sale by

R. C. KING.

Who carries the largest stock of steel and chilled plows in Hillside Plows, Cultivators, Double and Single Shovels of any house in the county.

"ESTO PERPETUA."

From the 5th to the 21st of January, 1893, the mercury ranged from 10 above to 8 below zero; such weather is almost unprecedented in this part of the country, while this year the extreme is in the other direction. Nobody, no one, not even the oldest inhabitant, can call to mind such mild, open weather as we've had up to the present. There are those who claim it is not healthful, but we are not prepared to prove or disprove, but will say that it suits us.

Two-thirds of the month has gone and the fun has been had by all of last year, and since the tobacco has begun to move, we hope to see a marked improvement, especially in collections. The trouble with us is not that we do not have enough goods; no house in the world is doing more than we are in our grand, new Court-house. Such a building is a credit to any town, and though old Nicholas is noticeably chuckled the Robbit and Huckleberry" of the country by one of her so-called aristocratic neighbors, "we are the people, we swim" and are getting right along with both feet.

The City Store has recently put her second invoice of Spring goods, and assures the public that they are the same rate of reduction in prices. Lace Curtains, nice goods, that were a bargain at $2.50, we now sell at $1.50 per pair. A line of Fancy Dress Goods to close out at 50c per yd, now go at 30c. All-wool Hop Skirtings, formerly sold at 50c and 60c, we now offer at 35 cents per yd.

New Percales in beautiful stripes and figures at 5c per yd.

A case of standard Prints of the best brands at 5c per yd.

Childrens' Ribbed Hose, 10c, that would be a bargain at 15c.

Our 25c Hose for 20c.

Ladies' Barrette Kid Gloves, gray and black former price 75c, go at 50 Cents.

In Shoes, we will sell about 1-3 less than former prices, and the better line of medium and highe-class footwear can be found to select from.

Our Spring stock of G. P. Ford & Co's fine Shoes, manufactured at Rochester, N. Y., has arrived and we will sell at from from $2.50 to $3 per pair. For beauty and style they cannot be excelled, and the durability is guaranteed by us.

Don't hesitate, but come and take advantage of the bargains we are offering.
