What Ministers Say About THE ELECTROPOISE

Editorial from Central Methodist Advocate, St. Louis, Mo. Rev. Dr. Haven, pastor of Centenary Church, Baltimore, and prominent man, bespeaks doctors, editors, and others to call on him at the meeting the writer are very much mistaken if they do not find many of the leading men of the city present. Rev. Dr. Haven has been healed of rheumatism by the Electropoise, and is very enthusiastic in its praise. Rev. Dr. Haven is a man of high character and standing, and his statements can be relied upon.

SPICK, SPAN, NEW.

The early Spring season is drawing near. You'll be seeing "shinkin" where to get that New Suit. So a few words on that subject. This coming season we were rather more fortunate than usual. Usually we carry over a considerable stock from season to season. But this Spring we are going to start off with a

SPICK, SPAN, NEW

Stock. Our sales last season notwithstanding the so-called hard times were such that we have disposed of our entire last season, stock, now our buyer was given a free scope to buy an entire new line. And well has he done it. A month earlier than usual he is gone to the markets, and you (that is if you are or will be a customer of ours) are to get the benefit thereby. And a

SPICK, SPAN, NEW

Stock will you have to select from. New Styles, New Colors, New Shades, and most important of all—New Prices. For don't you know when our buyer came to the market the wholesalers were all upset as to the effects of the Wilson Bill." They were anxious to unload for fear the Wilson Bill might break their backs. And unload they did. Still that is where the "New Prices" comes in. He forget set the prices, In most cases they were accepted. And so through Spring and Summer you will get the benefit of it in a

SPICK, SPAN, NEW

Stock at prices unheard of before. So put that thinking cap on when you are ready to buy that New Suit, &c., and give us a call and look. That's all we ask. You can't help but buy after so doing.
