**THE WOMEN OF EUROPE.**  
The women of Europe are becoming more and more interested in the health of their children. They are no longer content with the ordinary food of their children, but they are seeking for the best. They are seeking for the food that will give their children the best of health, the best of strength, and the best of character. They are seeking for the food that will give their children the best of all that a mother can give.

**ROYAL BAKING POWDER.**  
Highest of all in leavening strength—Largest & best kept.  
Economy requires that in every household for baking popular the Royal should be used. It will go further and make the food lighter, sweeter, of finer flavor, more digestible and wholesome.
