Untold Misery

Dyspepsia and Catarrh of the Stomach Cured.

"C. I. Hood & Co., Lowell, Mass.

Gentlemen:—I take pleasure in recommending Hood's Sarsaparilla and cheerfully testify to the benefit I have received from its use. For a long time I was afflicted with dyspepsia and catarrh of the stomach, and suffered untold misery. I tried many remedies, but found no relief until I began taking Hood's Sarsaparilla. I have taken three bottles and consider myself entirely cured. I cheerfully recommend Hood's Sarsaparilla to all sufferers from dyspepsia and catarrh of the stomach."

KNOWLEDGE

Is Power, and a knowledge of the best methods to attain comfort and health is power indeed. Those who live the most and accomplish the most are those who have the best health, and those who have the best health are those who know enough to obtain it by the use of pure blood, gentle action of the liver and kidneys, and regularity. It is well known that the California fig syrup is the only remedy that acts on the kidneys, liver and bowels without irritating or weakening them, and it is the only laxative known to the medical profession that is entirely free from objectionable substances. Its perfect purity and excellence of quality are due to the fact that the California fig syrup is manufactured by the California Fig Syrup Co. only, while its active principles are obtained from senna, which is well known to be the most effective laxative vegetable product known. To get its beneficial effects, buy only the genuine. For sale by all druggists.

GOOD COOKING DEMANDS CLEANLINESS. SAPOLIO SHOULD BE USED IN EVERY KITCHEN.

In the Early Days of cod liver oil its use was limited to easing those in advanced in consumption. Science soon discovered in it the *prevention* and *cure* of consumption.

Scott's Emulsion of cod liver oil with hypophosphites of lime and soda has rendered it more effective, easy of digestion and pleasant to the taste.
