FATAL FIRE

Police Station Destroyed Through Fire.
The Police Station, situated on the corner of Third and Main streets, was destroyed by a fire which broke out at about 10 o'clock last night. The fire was caused by a gas lamp which had become overheated and exploded, setting fire to the curtains. The fire spread rapidly and in a few minutes the building was a mass of flames. The firemen were unable to reach the building in time to save it. The loss is estimated at \$10,000.

USED BY SMITH

Smith's is the most reliable and complete set of scales ever made. It is used by all the leading firms in the world. It is made of the finest materials and is guaranteed to last for years. It is the only set of scales that will give you the weight of anything you put on it.

CLOSED BY SMALLPOX

The school at Carlisle was closed for several days last week because of a case of smallpox. The school was closed on Monday and did not open again until Thursday. The case was that of a young boy named John Smith, who had been in the school for several weeks. He was taken to the hospital and died on Saturday. The school was closed to prevent the disease from spreading.

THE GAZER'S CONDITION

The gazer's condition is a disease of the eyes which is caused by a deficiency of the fluid which covers the surface of the eye. It is characterized by a dryness and itching of the eyes, and by a feeling of sand or grit in the eyes. It is a very common disease and is easily cured by the use of the proper medicine.
