What is
CASTORIA

Castoria is Dr. Thomas' Peppermint Cure for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a laxative cathartic for Purgative, Hoop, Scouring, Spasms, and Colic, and, in its action, it is similar to the action of the natural secretions of the bowels. It is a safe and reliable remedy for all the ailments of Infants and Children, and is the only medicine that can be given to them without any danger to their health.
