PROPRIETORS OF THE

CITY STORE.

Last Thursday, Thanksgiving day, was more generally observed by our people than we have ever known it. Most of our business houses were closed from 10 to 2, to give every one an opportunity to attend the Union services held in the Christian Church. The sermon was preached by Rev. Oney of the Methodist Church. The day was warm and fair, quite a contrast to what Thanksgiving days usually are.

Three weeks from Wednesday will be Christmas day. In spite of hard times the City Store is turning itself loose and filling the old house to the brim with Holiday Goods. We have decided to let the "tail go with the feathers," and tho' times are hard, money scarce and the people are economizing, there will be some presents made.

Our representative is in the city now selecting Holiday Goods suitable for Christmas presents. By our next issue we will be prepared to talk to you more intelligibly as to the line we shall offer, but it's a good bet that the City Store will be in line and close up behind the Band Wagon, at that.

The promised cold wave arrived on time last Monday night. Tuesday morning the mercury registered 20 above at 7 a. m. Several times we have heard ladies say your Capes and Jackets feel too heavy. Doubtless they have changed their minds by this time, as the trouble now seems to be to get them heavy and warm enough.

We still have a big line of CAPES, JACKETS, and MISSES LONG CLOAKS and JACKETS. These MUST and WILL be sold to come and get your share of the "chicken pie."

A full supply of materials for Fancy work. Many prefer to make presents of their own handiwork, as there is no cheaper sentiment woven with the present than the time and thought devoted to a gift of this nature. Stamped Linens and Embroidery Silks will be closed out at reduced prices. Slipper Soles and Yarns in all colors.

Denim for Couch Pillows and Gold Thread for outlining same.

Full line of Satin Ribbons, Laces, Scrims and Swisses.

King Winter has come and to keep warm from head to toe requires a variety of articles—Storm Veils, Fascinators, Underwear in Cotton and Wool; Union Suits and separate Pants and Vests, Cashmere and Fleeced Hose, Blankets and also comfort. Special prices on Blankets at $1.25 per pair.

Colored Blankets, $3.25 to $4.50 per pair.

Men's and Boys' Winter Boots.

Special attention is called to our line of Ladies' Shoes, made by Pingree & Smith, in the VERY LATEST styles, and guaranteed to wear.

Come and see us next Monday, County Court day. Fires and Stoves free.

Respectfully,

CHAPPELL, BECK & COLLIVER.

SPECTACLES!

Our trade on the above goods has far exceeded our most sanguine expectations, and in fitting a great many eyes we have found that Glasses alone will not give satisfactory results, as the eye needs treatment. So I have secured the consent of

DR. G. D. TROUTMAN,

Oculist, of Louisville, to spend one day in each month at my office for the purpose of treating my customers who require such. His charges will be reasonable, and his reputation is such that I can recommend his thoroughly competent to treat the eye and all of its diseases. He will be at my store on

SATURDAY, DEC. 28th,

From 8 a. m. to 3 p. m., in consultation with C. N. McDONNELL, my Optician, and any of my customers who have not found relief in wearing glasses, please call and have the trouble corrected.
