The DAUM of the Maysville Ledger makes sport of our Wild Turkey and tales of our having to eat crow. You is a cruel fellow. Whoever told you snakes were people as none?

The U. S. Senate has the task of increasing the pensions of Mexican soldiers from $8 to $12 per month. It is thought the House will agree to the bill.

TO-MORROW is the anniversary of Gen. George Washington's birthday. Every American should let it be made the life and character of the great man.

MAJOR THOS. B. SWEENY, Collector of Internal Revenue for this district, died at his home at Lexington, Tuesday morning, after a long illness. He was sixty-seven years of age.

THE rate for Governor has been agreed upon recently between Mr. Clay and Gen. Hardin. We hope the fight will be kept up as bitter as to endanger the party's success in November.

THE Covington Post says that Col. Bradley paid 18 cents a line for that little column sketch of him in the Cincinnati Commercial-Gazette and gave an order for 3,000 copies.

T. J. YOUNG has become sole editor and publisher of the Bath County Sentinel. A life-long Democrat adding a Republican paper to one of the best things we see in these latter days.

THE Democrats of Madison county are first in the movement for aggressive fight for the coming campaign. President Chenault, of the Richmond Democratic Club, issued a call for a mass Democratic mass-meeting to start the ball rolling.

HON. JNO. D. HARRIS, of Madison County, is in great luck. Hon. C. M. Clay, Jr., Hon. Ed. Harris' son-in-law, is a candidate for the Democratic nomination for Governor, and Hon. Ed. Harris' son Hiram, another son-in-law, is a candidate for the Republican nomination for Auditor.

HON. D. S. GOODLOE, of Hazel Green, is a candidate for Representative in the Kentucky Legislature from Breathitt district. Mr. Goodloe has heretofore served with credit as Representative, and he did so well with house and senate both he ought to be elected. We would be pleased to see Mr. Goodloe in the General Assembly again, as his former experience would be a great benefit to him and his constituents.

THE letter of ex-Gov. Knott to new star Blackburn has been accepted at Washington as an attack upon Secretary Carlisle from those Kentucky Democrats who do not agree with his financial views. The Governor's letter yesterday that it was his intention, if he could possibly do so, to come to Ky. and to take the stump in defense of his policy.

G. R. KELLER attended the meeting of the State Central Committee at Louisville last Wednesday, and resigned his place as member of said Committee from the 9th district. Hon. Thomas Kennedy was elected to fill the vacancy. There is no man better calculated to be fitted for the place than Mr. Kennedy, and we congratulate the Democratic party in having so good a man on so important a committee.

SO FAR we have not heard of but two candidates who have declared their intention of making the race for Representative from this and Nicholas county, and they are Thos. Sharp, of Headquarters, and John F. Morgan, of Carlisle. We are not acquainted with Mr. Sharp, but Mr. Morgan we have known for a few years and we believe him to be a clean, honorable, conscientious gentleman, a good man and a large of experience as a legislator, and would be a most worthy and acceptable representative. IMMIGRANT action was taken by the German Reichstag last Saturday in the adoption of a resolution instructing the German government to request the State Governments invitations for another International Monetary Conference, and to take action for the rehabilitation of silver as a circulating medium. The German Government gave its assent to the resolution, and some of all parties voted for it. Looks as though silver is going to be adopted.

THE Louisville Critic charges that Mr. John Young Brown's Democratic enemies are controlling the Democratic papers in the interest of the would-be Judge. One brother of his is business manager of the Louisville Post and has been such for a few years and we believe him to be a gentleman, honorable, upright, conscientious man and a lawyer of considerable ability, and a warm personal friend of the Democratic Advance
