

WIND AND RAIN.

The entire West coast of the Rocky Mountains from the Colorado to the Sierra Nevada is being deluged with rain. The wind is blowing from the north and west, and the clouds are heavy and dark. The rain is falling in torrents, and the ground is becoming very muddy. The water is running in torrents down the mountainsides, and the trees are being blown about by the wind. The rain is doing much good, and is much needed in this section of the country.
