**JOHN G. POWELL,**

Hardware, Cooking and Heating Stoves,

WIRE - Plain and Barbed.

Best of Many Kinds.

Don't buy a Plow until you examine Row's Hillside

Plow. Best on sale. Talk over best and see your

Light of draft, and much less work to the

horse. Some people say they would rather have one of

Row's Plows than a whole load of other makes of

plows. If they had to do the plowing I am

prepared to give you the best price on all I sell.

Come and see me before buying.

**NOTICE TO HORSEMEN!**

Much Advantage Is Gained By the Use of

These Clippers

The reason has arrived for Clipping Horses, and we are

prepared to do the work in manner of the best Clipper

and an experienced operator at Rowanville, West

Virginia.

How can you tell when your horse is in good

condition? The answer is simple. The horse is in

good condition when he is in good condition.

There are several things that you can do to

keep your horse in good condition. First, you

should feed him well. Second, you should

exercise him regularly. Third, you should

keep him clean and well groomed. Fourth, you

should keep him in good health. Fifth, you

should keep him in good condition. Sixth, you

should keep him in good condition. Seventh, you

should keep him in good condition. Eighth, you

should keep him in good condition. Ninth, you

should keep him in good condition. Tenth, you

should keep him in good condition.
