The Republican nominees for State offices have decided to begin the campaign on the 30th.

Frank Mixon declines to make the race for the Legislature in the face of many requests.

Wants of working people are being increased by almost every manufactory in the country. Business prolific?

Senator Beckwith seems to be a favored at Cynthiana Tuesday afternoon. On Monday he had a gentlemanly talk with him at Williamstown.

News comes from China that many missionaries have been murdered in that country recently. This ends our duties to poor heathendom.

Our countryman, James S. Hoff, pulls a little the worst of it in the Kentucky convention at Louisville, but he is still in the ring. Mr. Hoff made a manly fight for the race and is in good shape yet.

The many interested candidates for the Legislature have agreed to ask the Democratic Committee to call the primary election on Saturday, August 26th. That is the best we have seen for some time.

The Committee to nominate a Republican candidate for Railroad Commissioner met in Louisville last week, and after balloting for several hours adjourned to meet again on the 30th of July. Jas. B. McCreary, of this city, is still in good position to receive the nomination.

Committee Meeting.

The members of the Nicholas County Democratic Committee are requested to meet at the Court House in Carlisle, Ky., Monday, July 24th, at one o'clock. Business of importance.

W. L. PERRY, Chm.

Everything is going Cleveland and Hendricks hard. The dodgers and the pageant succeed. Col. Walter Evans, of Louisville, is the latest convert to the democratic host. Welcome back.

Tom, and you can now add that the fossil and fall out before the convention adjourned.

The following is glorious news and is true:

"The first car of 1885 wheat arrived at Toledo Wednesday and was sold for cash. The car was consigned for the fall at the premium price of 2 cents."

Tobacco is going begging in this place. If we can keep the gallows from loitering with her for a season for a few years we will be all right.

We are sorry that Clark County did not instruct for Simon Kenton for governor. He headed the county honor roll in 1812, and is entitled to the honor of 1884.—Winchester Sun.

We needed the "empty" honor for another reason. Our friends don't know how they can have all the fun with us they wish without giving offense.

Democratic Meetings.

The Democrats who voted at what is known as the Clerk's Office at Paris on Office District, will hold their meeting in the County Court Room Saturday at 2 o'clock p. m. Those who voted at the old Court House will meet in the County Court House. Those who voted at Hall's Shop will vote at that place. Come one, come all.

The Legislature has been called in Bourbon County so far as the Democratic party is concerned, and Hon. J. T. Hinton will be accorded the nomination by acclamation. Bourbon is the banner county of Democracy, and will be expected to show that they are Democrats indeed. They have a good man to vote for, and there is never doubtful, and put the man in who will help to run the State. The Democrat in Bourbon will not only be loyal and true to the Democratic nominee, but will work for his election.—Democrat.

Monday was a busy one in Paris. Many candidates for Superintendent of Public Instruction were there, and all of them had a good word for the teachers and the schools. Mr. Hinton, who is a candidate for re-election, was there in force, and is well fitted for the position. He has done a good work for the schools, and has gone into a combination to secure the nomination of Hon. Jas. B. McCreary for Governor on July 25.

The Democrats, after retiring report of the following delegates:

Delegates—Jas. B. Hinton, W. P. Mitchell, L. D. Young, attorney; David Kenney, Jr., Jas. Kenney, Jr., Jas. Kenney, Sr., Jas. Parker, Alexander Jackson
