EVERY member of the Democratic Committee was present at the last meeting. This was the first time such a thing has happened in a long time. The lacking we had last year. We had good reason to be after all. If the local committee can't be relied on, who can?

IN our paper of two weeks ago we stated that Nicholas county had a candidate for Governor. In this we were mistaken. Resolutions by the City Council.

At a special meeting of the City Council called on Friday night last, the death of Mrs. Jefferson Davis, of Biloxi, Miss., was announced, and a committee appointed to draft suitable resolutions expressive of the feelings of the Board.

The committee appointed to draft resolutions on the death of Mrs. Jefferson Davis reported the following resolutions, viz:

Resolved, That in the death of F. A. Congleton, the city of Carlisle has lost one of its most worthy citizens, and the Council of the city has sustained the loss of a deprived of one of its best citizens. His labors and assistance in Municipal affairs have been valuable to the city, and his counsel and advice will be much missed hereafter. As the latest act of a life of labor in our midst, he was instrumental in the erection of a monument to the memory of his wife, which will long remain a public expression of the high esteem in which she was held by her husband and friends, and a source of pleasure to the husband, who has gone to his long home in peace, but his memory will remain a consolation to his friends and family, and a source of pride to the community.

Resolved, That as a further mark of respect for the memory of our deceased friend and fellow citizen, the Council will attend the funeral of the deceased in a body, and that the Mayor be requested to invite the public generally to join with the members of the city, and that the Mayor be requested to have the public buildings draped in mourning for thirty days.

A BRAVE JUDGE

Judge Thompson of Louisville is entitled to bold Fellow-citizens. He has been elected to the Circuit Court, as he should be, and he has made a record in the Louisville Home decision that there is no necessity or use for the seducer and the fallen one in the world will be better. We would like to have the privilege of trying a case of death any man who commits suicide with a married woman. Most of the suicides, the worse should be with the man. Death is the penalty for adultery man and a just one.

Louisville Home Journal.

Judge Hastings has recently rendered a decision in a case of libel and slander, in which he held that the publication of a newspaper article charging a person with being a thief was not guilty in law, but that the person who published it was liable if they pay their reckless talking for not standing on a grounds of truth. We are in danger of being sicked at any moment. The present W. C.
