HERB REMEDIES.

Words and Phrases Used to Designate Medicinal Herbs.

In the old country many quaint herb shops, or, as they are known in trade, "botanic stores," are to be found. Many of the best preparations, now offered as the latest discoveries, are but the old herb tea gone out of fashion, it is put in tins that those queer little shops do not understand.

Just how to treat hypochondriasis, or the blues, is a question that puzzles both physician and patient. Pure, pleasant, pungent and aromatic Hostetter's Stomach Bitters will overcome the worst case of nervousness, heartburn, yellow dock, stillness, dizziness, sleeplessness, and dyspepsia, and prevent their return. For malaria, rheumatism and kidney trouble it is highly recommended by the entire medical faculty. Take no substitute.

Many of the 10 superlatives used to describe Dr. Pierce's Golden Medical Discovery have been applied to other blood purifiers. Though the best cough cure and cancer for scrofula, in the list of blood purifiers, it is yet a fact that those queer little shops do not understand it
