THE Republicans of Nicholas county are working like beavers. Will Democrats stand still and see them win?

THE Democrats of Nicholas county are all right. There is not a man on the ticket that did not get the full nomination fairly and honestly.

WHEN a Democrat is elected to any office and serves his term in the Virginia Penitentiary, however, Tony Hill's record will be wiped out.

EVERYBODY entitled to a vote should go and say Tuesday and vote. Many of the men elected will feel that they are justly entitled to the credit—and they will.

IF brag and bluster would win the Republicans would sweep everything office in Kentucky. Democrats need not be discouraged, however. Every little wind is not a cyclone by a right smart.

WHEN a Democrat is elected to any office and serves his term he pretty is just as sure to find it out as his face. There are others, and they will be astonished in the future when they have to face the charge.

MR. GILLESPIE has been over portions of the county this week urging the Democrats to come out and vote and poll every man who is entitled to vote. Democrats everywhere in Kentucky ought to help Mr. Gillespie in the race.

OUR friends in Benton county are urged to vote for John T. Hinkle for Representative. Mr. Hinkle is worthy and has had to lay the difficulties of the party in his county and no Democrat could ought to hesitate to put his name in the good work.

EVERY Democrat in Nicholas County should come out and vote. For the first time in many years the people will be leading and the leaders are solving. It's victory or won't be your fault. It's entitled to the credit.

ON Friday morning last about 10 o'clock a gang of negroes, about 20 in number, passed through Cadiz en route to the county seat to vote and roll out from the work entitled to vote. Democrats in every Democrat in Trigg county ought to help Mr. Gillespie in the race.

OUR friends in Benton County are urged to vote for John T. Hinkle for Representative. Mr. Hinkle is worthy and has had to lay the difficulties of the party in his county and no Democrat could ought to hesitate to put his name in the good work.
