Gen. Haynes had a big crowd to hear him at Lewis last Saturday. He was well received.

Were a man gale enough of a joint debate to get Carlisle "stirred up" and going to the Montgomery Times?

Hon. Thomas Turner Hinde was nominated for Representative from Woodford, Friday. He is a Democrat.

Wave Club is authorized to be called. There will be forty-five stars on the U. S. flag. Don't forget how many stars there are in the Union.

THE Montgomery Times says that W. O. Bradley was "applauded at Lexington." We have not seen it so stated, but we do not know what it was. We thank the Times for information.

J. CALVIN SIMMONS editor of the Bell County World and Democratic nominee for Representative from that district, is the man on account of whose political views there is such a howl. We respect him with Mr. Nelson and regret that he has withdrawn.

A LEXINGTON Sunday paper called the "Truth" has been started. It is well named. In attack upon the character and integrity of Hon. E. J. Watson, a distinguished piece of scurrilous, but unsuccessful, abuse, the truth is completely shelved in the cry.

THE Louisville Commercial is doing its best to get Col. Bradley over the coals of the baby act of Easterly and all the evidence is against it. Some do favor that Knowles is a fraud, but all are not to trust a stranger with a fair speed.

Easton Gosh, of the Lexington Gazette, says a ball will be urged upon the next Legislature to permit women to marry command-d officers in the army. In addition to her tongue will make the average woman an awful terror to her opponent.

GEN. Hardin spoke in London, Kentucky, last Saturday, and Col. Bradley spoke in the same town on Monday following; which leads us to believe that Col. Bradley was not afraid of the people of London, but of the man who was there on Saturday.

PUBLIC SPEAKING.

SENATOR WM. LINDSAY will address the people in the Court House, Carlisle, on Monday, September 28th, 1885, on the interest of the Democratic party. Hon. Thomas Turner Hinde, of Woodford, and Hon. James Fanton, of Bourbon, will also address the people on the same occasion.

The grandest triumph for sound money ever won will be the defeat of Governor Hardin, who, after mounting the horse of repudiation, has been forced to dismount and walk back to the stable, thus exposing to the people for inspection the cloven hoof of the animal.

The Kentucky Selling Mill Company, of Louisville, Ky., is the largest manufacturing plant of the kind in the world, and they sell more flour than any other mill in the United States. They are now introducing their celebrated "Incurable" brand of flour, which is fully warranted to be the best flour in the world. Ask your grocer for it. Manufactured only by the Kentucky Selling Mill Company, Louisville, Ky.

"INCURABLE."

We know that it sounds egotistical to say that we have the best flour in the world, but we have been so long in the habit of saying it that it is old to assert that fact. We have the largest mill in Louisville, and it is receiving such a patronage as was never equaled. We have at this time the Encampment now being held in South of the Ohio River, and we have a new era in the history of the country commenced as it will be handed down to posterity. Let all contribute that a handsome monument be erected to the prosperities of the people.

Let us have a song, the first of the kind, and let it be the beginning of a new era in the history of the country. Let us have a song, the first of the kind, and let it be the beginning of a new era in the history of the country. Let us have a song, the first of the kind, and let it be the beginning of a new era in the history of the country.

Every arrangement has been made for the comfort and convenience of the veterans, and we will throw a pleasant and profitable meeting.

Three hundred thousand old soldiers are marching the streets of Louisville to-day. They all wanted to come South of Mason and Dixon's line especially, and they came.

Tickled to Death!

The Democrats are tickled to death because Governor Hardin has been elected. We do not blame them for it if ever a man got sickened from start to finish Hardin is that individual. Democrats have got enough of it and they are glad to get rid of it. Hardin will be a confirmed political corpse. They will have no before them, that the Democrats will be glad to get rid of. Hardin says so Bradley's self. We hope they will continue in this belief.—Mt. Sterling Democrat.

As for Hardin continued to mind all his own business and Col. Bradley failed to appear, we are willing to leave the question as to who was glad to get out of an embarrassing position, to the people. Had the Gazette may have been at Cynthiana and heard his party friends "cussing" Bradley for running away and shooting the white feather it would have a better idea of how things were going.

Hon. Jno. G. Blair spoke to a good crowd in our Court House Monday. Mr. Blair has made much improvement in his stump-making, and deserves a big vote of the men with much force.

Gen. W. O. Bradley has published a list of appointments for speeches to be made at Cynthiana, Carlisle, Paris and Paris on the 15th and at Maysville on the 17th. He will not come to Carlisle. We hope our friends who go to hear Hon. Col. will come early and be sure not to make a noise and scare him.
