ANNOUNCEMENTS

WE ARE AUTHORIZED TO ANNOUNCE
W. W. ATHERTON
of Harrison county, a candidate for re-election to the office of Commissioner thereof, subject to the action of the Democratic county election to be held June 27th, 1896.

EX-SENATOR JAMES and Walton Lair have announced for re-election to their Republican constituents.

Both Houses of Congress have adopted a resolution appointing sympathy for Cuba. Now we will see what President Cleveland will do.

SENATOR LINDSAY is on a visit to Frankfort and expresses the opinion that Secretary Carlisle will certainly be a candidate for President.

PRESIDENT CLEVELAND has signed the act repealing the statute prohibiting the accumulation of the army of persons who shall fill creditable commissions.

HARMONY instructed for McKinley last Saturday. The name of Bradley was not mentioned in connection with the presidency.

It looks like Bradley will get Kentucky's vote for President, if not nominated a head light. He might have reserved all his ammunition for that.

SENATOR BLACKBURN and Goebel declared emphatic in favor of Silver Dollar while last Saturday night to a big crowd of enthusiastic Democrats.

MCKINLEY started Louisville and Williamsburg Bradley supporters several head counters in that city on the day of the primary. It looks like McKinley would carry Kentucky over Bradley.

HON. J. J. SOMS, of Crittenden, is spoken of as a possible candidate for the Democratic Congressional nomination from the Ninth district. Mr. Soms is a National Democrat.

THE Revolutions State Herald says the date every State shall fix its own primaries. If this theory were to be carried out in all the branches of politics the next thing would be a beautiful country to live in.

CHESTER LOGAN has called the Democratic State Executive Committee to meet in Louisville on the 22nd inst. for the purpose of calling a Convention to select delegates to the National Convention at Chicago July 7th.

THE Court of Appeals has affirmed the decision of the lower Court and ordered Sheriff of Jefferson County. Three Knights Templar, who refused to take the fee from a Democrat or Republican. Judge Lassiter should be ordered to be arrested for one of the Masonic Generals, who don't he? What if some one does?

THE State Sinking Fund Commissioners have refused to accept the offer of a refunding on the State Treasury for money due the Commonwealth. The Republican officers can not vote for the best of understanding. They will not refuse to proceed on the ground that they can not do justice to the State. They do not want to lose the opportunity to get a chance to steal something. Democratic officers would not be guilty of such rascality. They never heard of the word "refunding" in any paper under Democratic rule.

JAILER CRUTCHER says the Republican party in Kentucky is unknown and unorganized, and that there are 50,000 voters who are entitled to vote for the officials in Jefferson at present, and in sixty days after there are only seven men will be found at the door of the highest precinct in the land—the Court of Appeals—and an attempt made to intimidate them. What not a single threat has been made.

TAYLOR County is advised that Nicholas county has gone for Bradley by 1,000. —Maysville Ledger.

Governor Bradley ought to carry Nicholas county, but Lord Lodge don't you be fool to believe he will without a struggle. Tactician Brown has had several working Republicans here in Lexington, and if Nicholas goes for Bradley he will owe Bryson a debt. McKinley has some very active friends in this county and they will be in Carlisle next Monday and don't you forget it.

MR. CARLISLE has written a letter to Chairman Long, of the Kentucky Democratic Committee, in which he states he would appreciate the endorsement of a majority of the Democratic voters of the state in the selection of delegates to the convention that will nominate the candidate. This is a correct position for Mr. Carlisle to occupy. The prospective candidate to be the choice of the Democrats of this State and enough standing and ought not to be compelled to ask for favors. If the Democrats of Chicago, Illinois, Indiana and Ohio want Carlisle for President and Kentucky Democrats don't want him, he will not accept. But never better.
