of Harrison county, as a candidate for re-election as Judge of the 19th Judicial District, subject to the action of the Democratic party.

We are authorized to announce
JAMES M. CAMPBELL,
of Nicholas county, as a candidate for Judge of the 19th Judicial District, subject to the action of the Democratic party.

The President has appointed Gen. Fitzhugh Lee as Consul General to Havana, Cuba, vice R. O. Williams, resigned.

The Mt. Olivet Advance has a typographical error in the subject of the resolutions adopted by the Democratic Congressional Convention. It suggests the propriety of postponing the next session of the National Democratic Convention. We trust the Convention will take this view of the subject.

Jas. B. Hemphill this city, has been appointed by Gov. Bradley a delegate to the National Inter-State Immigration and Industrial Association at Southern Pines, North Carolina, May 5th.

Dear Governor—This is for this. Put without ingredients is not what we want.

The Carlisle Mercury says Governor Bradley ought to have Governor Kentucky's mnemonic safe. Democratic Exchange: Governor Bradley ought to be that and not, and there are also many times that are not that ought to be. Marion Leader.

You bet! For Governor Bradley is a mnemonic safe, and he ought to be, but he doesn't. Mebbe's a safe school boy. Bradley in Kentucky which ought to be.

At this time will be found the announcement of John J. Morgan, of Nicholas county, as a candidate for Sheriff, subject to the action of the Democratic party. Mr. Morgan is well known here, having been a resident of this county for many years, and is popular wherever he has the pleasure of his acquaintance. He is respected throughout the district and doubtless will make a good race. Robertson Democrat.

Attorney-at-law Mr. Thomas Campbell will make a good race and there is no reason why he should not win.

Every contest in the presidential race are down with measles and the prize therefore is becoming a big bounty. If the Chair contractors are about to agree on their contract the Republican Administration is about to exterminate some of the measles that have entered the Democratic almost to death. Let every doctor of fairly good sense, whose endorsements are likely to give the Republicans something to boast of, keep them to himself.

The Attorney General of Kentucky holds that State warrants are legal tender for taxes and dues, and that the banks and bankers that decline to receive such warrants for taxes are guilty of refusing to receive money in settling their taxes. The fact that the Republican administration of Governor Bradley is at war against the State for debts due the State, is a shame. In such a case we would refuse to accept his own overdue paper for debts he has to sell to the State.

The Louisville, notwithstanding all the Democratic endorsement of the Louisville Commercial's candidacy, is ready to support as follows:

In Postmaster General Bissell and in the Courier-Journal every compliment that the New York world so flatteringly bestowed on Mr. Cleveland. In support of a revolutionary platform we denounce it. The undersigned are instructed to vote for the election of Mr. Bissell as Chairman, but the Democratic delegates are to Maysville, however, and if Mr. Bissell is not there to work pretty soon the two-thirds Democratic will capture the Democratic convention.

Kentucky's A. P. A. Governor has been interviewed in the cause of police reform in the city of Louisville. He is reported by resulting a thirty days' work in the new machinery and a thorough reorganization of the police force. Governor Bradley is a Democrat, and the Democratic Mayor of Louisville, for carrying a reasonable and deadly weapon and inspiring and suggesting a woman. When the police are filled in every Police Democrat strongly reckons that if the Governor is not satisfied that the case we are making is not clear and that it needed no help to be made clear, he will be pleased to extend and continue the

The case of Jailer Carlisle has been appealed and carried to Carlisle for a second trial. Both sides are confident of success. The case will be tried before a member of the Lower House of the Assembly and Senate. Whatever may be the result of the case, the Democratic party has done its duty. The Democratic Governor, the Democratic Senate and the Democratic House of Representatives have done their duty. The Democratic party has done its duty. The Democratic party has done its duty. The Democratic party has done its
