Mayor McKinley can have his yard re-sodded and his house re-kleaned without finding the loss.

If we had all the money that was spent in the late Presidential race, what would we care for the wolf?

Bryan made a brilliant canvass and he came will go down in history as one of America's greatest men.

The newspapers are opening the bills in every issue. If the owners of the bills will own them, we would feel better

The Doubtful State of Illinois has gone for McKinley by 140,000, and the Doubtful State of Texas for Bryan by 50,000.

Mayor McKinley will make a close Executive, however wrong he himself may be. Bill Bryan Mayor is another tune at least.

We shall watch with interest the Gold Standard Democrats trying to make room in their hot house for the regular Democratic party.

Everybody seems to be surprised at the way the people rolled out last Tuesday, every one of them voted just as they had said they would some?

The Senatorial Race

It having been generally conceded that the contest finality a going to be the Legislature together shortly the to Senate, Senatorial race is attracting considerable attention. The Republicans are not saying much for a winner but are working about for a winner and are doing it in a quiet and unostentatious manner and therefore we are unable to say who will be the winner. It is generally conceded that a man from the mountains will be the winner, and that Hon. Joe C. S. Blackburn will be defeated if not the other was nominated by the Democrats.

Judge W. H. Holley one of the Republican members of the Legislature, was in the city Saturday and Monday and was seen by a number of Democrats. He declined however to say who he would support for Senator, but stated that if Governor Bradley was the other was nominated he would support him.

Judge Holley said he was not pledged to support any one for Senator, but that he was in favor of a Republican Senator. He declined however to say who he would support for Governor, but stated that if Governor Bradley was nominated he would support him.

From best returns obtainable the majorities in the Legislature will be as follows:

	Majority
Senate	1
Democrats	6
Republicans	5
Joint	11

Judge Pugh Re-elected
