Chappell & Colliver,

—PROPRIETORS OF THE—

CITY STORE.

There is current a superabundance of talk about this country going to the "bow-wows" financially and commercially on November 3rd, or thereabouts. Political extremists and partisans of all classes, under the spell of either a gold or silver fever, all predict alike disaster and ruin—"if the other side gets in."

With all due respect to the opinions of these, our anxious friends and citizens, we would in simple earnestness proclaim that the end of this land of the more or less "brave and free" is not at all at hand; and whatever the result of present issues, we shall, as in the past, continue to conduct our affairs to ultimate prosperity and success.

Remember that the good sense of a majority of Uncle Sam's people can be trusted, can be relied upon to pretty nearly do the right thing, when the right time for right action arrives. When voting time comes cast your vote soberly and quietly, and for the right man, of course.

Thursday, Oct. 22nd, being the day set for the Democratic Rally, will doubtless bring a great crowd to town. As usual, every one from the country is invited to make the City Store their stopping place. Plenty of room, and welcome for all.

Make out your memoranda and while the men folks are out "whooping it up" for their candidate, you can select a Dress or Wrap for yourself, Shoes, Underwear and Hosiery for the children.

We have a fresh new assortment in all the fashionable Winter colorings in

Dress Goods,

Red and Black, Eminence Green, Browns and Blues, with the hairy Mohair effects in black over them; multi-colored Ombre's and Astrachan Patterns; swell Waist Patterns in Plaid, one of a kind; also Plaids in the piece. A variety of piece goods in All-wool Novelties, at 30c, 50c, 60c and 85 cents. Trimmings form an important part of the Dress THIS Fall.

BUTTONS: Wool, Braid, Passamentrie, Vandyke Points, Silks and Velvets, all of which you will find on our counters.

The handsomest Wraps are of Velour, plain or beaded Boucle, bordered with Thibet; Cloth Wraps at all prices; Jackets in plain and rough Cloths; latest cut and well made. Children's Jackets a specialty. Material for home-made Wraps; an elegant line of Cloths; Silks for lining same.

French Flannels for Dressing, Sacks and Infant's wear; Eider-down Flannels. We have a few Black Cashmere Shawls, former price $4, reduced to $2. They are a bargain SURE.

What the ladies are doing to our Underwear Department is "a plenty." We have already duplicated and triplicated our order, and the season has only fairly begun.

Our stock of Men's and Boy's

Winter Boots

Is complete. We endeavor to handle only the very best makes and brands of these.

When you come to Carlisle next Thursday or at any time, drop in at the City Store, where you will always be made welcome, and where you will find any and everything to be had in a first-class Dry Goods house.
