Shoes for Men, Shoes for Women, Shoes for Boys, Shoes for Girls, Shoes for All!

It seems as though we had turned ourselves loose in buying our shoe stock for Fall and Winter. The fact is, everybody is learning that we give a greater variety to select from, and more value for the money than anybody. In addition to our regular and well-known line, we have added some special attractions in Misses and Children's shoes. Call and see and you are sure to buy.
