The Old Settlers' Society of Nicholas County held its annual meeting last Saturday in the Court-house. We were pleased to note the interest taken by many of our best citizens. The attendance was good and the exercises very interesting.

There were several guests who have passed the 92nd milestone of life's journey. One old lady had passed the 91th, God bless the old folks. They are the salt of the earth.

Our town passed its 81th birthday on the 10th of this month. In the language of Old Rip, "Here's to thy health on thy family, and may it live long and prosper."
