Capt. [illegible], who has served the Kentucky House of Representatives, the Constitutional Convention and the Kentucky Senate, for many years past, as Sergeant-at-Arms and Doorkeeper, and who has had his share of the good things of life that any living man, is a candidate for the Senate from the counties of Bullitt, Grayson and Hardin, three strong Democratic counties, and is likely to be elected without opposition. He is an original free silver man and a staunch supporter of Senator Blackburn's. The Republicans have threatened to remove him from his office of Doorkeeper of the Senate because of his fearlessness during the last session. He was an aide-de-camp on the staff of General John H. Morgan, with the rank of Captain, when he was scarce sixteen years old, and Morgan could always depend upon him in any emergency. We hope the Captain will be elected.

On Thursday night last about one o'clock six or eight men appeared at the toll gate on the Lower Jackstown pike, near this city, and removed the pole from across the road and warned keeper McCann not to collect any more toll, under penalty of having his house burned. The men were all masked and were unknown to Mr. McCann. This is the first unlawful attack upon the toll system in this county, and we hope it will be the last, as the law may be slow in accomplishing the desires of the people, it is the surest and best, and in the end will be more satisfactory. We trust our people will be patient. On the same night the gate was removed from the Fleasant Spring Turnpike, and the directors came in next morning and surrendered that road to the county. The gate on the Jackstown pike has been re-erected. Last Monday the board declined to turn the latter road over to the county, and the two roads are now free of toll.

# Chappell & Colliver,

PROPRIETORS OF THE

## CITY STORE.

Last Sunday at the hour of midnight, February, the month of floods and high waters, bade us adieu, and March put in an appearance to make us a 31 day visit.

*This* is to be quite an eventful month of the year. To begin with: the inauguration of our President takes place on the 4th inst. The Democratic party steps down and out, and the Republicans take charge of the Ship of State; about the 8th the Moody revival meetings begin in Cincinnati; then the long talked of meeting between Corbett and Fitzsimmons to settle who is the best man (in a pugilistic sense) has been arranged for the 17th, and the last event of interest to the reading public will be the execution of Jackson and Walling at Newport, Ky., on the 20th.

Next Monday will be County Court day, and we want our friends from the country to know that the "latch string hangs on the outside" and a hearty welcome awaits them on the inside. Why not get your

### Tobacco Cotton

That day? Remember we keep all grades and will furnish you a yard, bolt or bale.

The best brands of *Bleached, Brown and Shirting Cottons*; price as low as the lowest. We call special attention to our SHIRTING COTTONS for Men and Boys' wear, warranted fast colors and will wear like iron.

We can equip you for the sunshine or the rain or snow.

You had better provide yourself with a good Mackintosh and an Umbrella in view of the rainy days that are almost sure to come this or next month. We carry a nice line of each.

Rubbers for Ladies', Gents and Children, all sizes, but not all grades, as we carry only the best brands.

A fresh new line of

### Ladies' Fine Shoes

Just received. You can't down 'em on style in this burg, and we stand right behind every pair of them.

Don't wear that old shabby, dirty Hat any longer, when you can buy one of us for a song and sing it yourself. Caps for boys.

It's worth any Ladies time and attention to inspect our EMBROIDERIES and LACES even though you may not want a yard; they are a treat to the feminine eye. There are so many new things among them that will save you work and expense in making up your Cotton and White Goods. We pay special attention to this department in all its phases, and no house outside of Cincinnati can show a more complete line.

We hope those who have not paid their account will make an effort to do so by County Court day next, especially those who have not settled the account of 1895. We have been long-suffering and kind to you. Show us that you appreciate our treatment of you by giving us a helping hand.

The following conversation was overheard on the street the other day:

"Say Jim, do you know why those tollgates have been removed?" "No, Sam, why?" "Because the country people wanted to all come to Schradzki's Bargain Store, and wanted to use the money spent for toll, for his bargains. See?"

### HOW TO FIND OUT.

Fill a bottle with urine and let it stand twenty-four hours, a sediment or settling will surely indicate a diseased condition of the kidneys. When your urine stains the linen it is evident you have kidney trouble. Too frequent desire to urinate is convincing proof that your kidneys and bladder are out of order.

### WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, bladder and every part of the urinary passages. It corrects retention of urine and scalding pain in passing it, and will overcome that unpleasant necessity of being compelled to get up many times during the night to urinate. It stands the highest for its wonderful cures of distressing kidney and bladder diseases. If you need a medicine one should have the best.

At Druggists 50c and $1.00 size.

WALTER OVERSTREET, of Nicholas county, attended preaching one night last week. While in church he misbehaved and was reprimanded by the minister. When Walter went home his mother reproved him for his conduct. This so preyed upon the life of the young man that he went at once and committed suicide. This should be a sad warning to other young fellows who are sometimes inclined to misbehave in the house of the Lord.—[Robertson Advance.

The secret of a speedy cure in sickness lies in selecting the proper remedy, and this is difficult to do unless one is sure what the ailment is. But one thing is sure, had the liver been actively at work sickness could not have come. It is then always safe to take Simmons Liver Regulator, which keeps the liver well regulated and all poison expelled from the system.

AN old colored man named Nelson Johnson, aged 85 years, died in this city Friday.

AT the sale of B. H. Tallbott's stock, crop, &c., last Saturday everything brought good prices.

AT the sale of the effects of the late P. S. Adair, Saturday, Mr. Wm. Dinsmore bought the 18 shares of Deposit Bank stock at 114.

E. P. THOMAS, of Cincinnati, the gentlemanly representative of the Revere Rubber Company, was here Monday, and sold our city 600 feet of fire hose.

THE City Store is now being painted and papered and overhauled from "stem to stern" and put in first-class shape before the arrival of their Spring goods.

A WAGON load of movers passed thro' Carlisle this week with a man and four women, and about a half dozen children. Three of the women held babies in their arms. That's what we call a good man.

ON our first page to-day will be found a beautiful little poem by Mrs. James Cain, of this city. It was written for the Catholic Columbian, of Columbus, Ohio, and is full of beautiful thought expressed in most choice language.

MR. GEO. COGAR, the large wheat and hemp dealer of Danville, says that wheat in Kentucky was very little damaged by the late freezes, and with no ill luck in the future there will be a very large yield.

THREE horses got into E. W. Shanklin's garden last Saturday afternoon and broke over one hundred dollars worth of glass in the frames over Spring vegetables.

OUR military company has received its accoutrements and are now drilling daily. Capt. Hamm had the boys on the streets Saturday, and they made a very creditable appearance.

W. S. DUDLEY, JR., shipped seven cars of tobacco to the Louisville Warehouse last week. He is still in the market, as can be seen by reference to his local advertisement in this issue of the MERCURY.

BRUCE HUDDLESON, one of our most active young farmers and stock dealers has opened a butcher shop in the basement of the Grater Building and promises to have nothing but the best of meats on hand at all times. He solicits a share of your patronage.

AT a meeting of the Democrats at East Union on Saturday last, Jas. F. Watkins was elected Chairman, and M. F. Adams, Secretary. John J. Sparks was chosen committeeman from that precinct.

MESSRS. HECHINGER & Co., would call attention to their advertisement in to-days issue. This firm is well known to our people and they ask a call at the Kimbrough House next Monday. They will have some nice Spring styles with them.

ON Saturday last J. I. Williamson, as assignee of R. C. King, sold at public auction the store-room, blacksmith shop, stable and small residence to W. T. Buckler for $2,175. Mr. King will probably resume business in his old stand again.

H. C. LEE has bought of Campbell & Dudley the East End Livery Stable, and will continue the business at that well-known stand. Mr. John W. B. Lee, who has had large experience in the livery trade, will be manager. They solicit a call from those wishing livery, promising to furnish the best of turnouts at the fairest prices. The sale was made through the real estate agency of Keller & Kennedy.

MR. J. F. FIRTH arrived home last Friday morning from his trip to Virginia, North and South Carolina, in the interest of his tobacco planter. He viewed the ruin of his business with complacency, and while he is considerable affected, he is not cast down or discouraged, but has made arrangements to resume business in the room next door to Huff & Son's Grocery store in the East End. Mr. Firth is considerably encouraged over the outlook for his planter.

THE Paris Kentuckian, in its Saturday issue, is authority for the following: "Tuesday afternoon, in this city, a setter dog set a bird on Pleasant street, and when the owner of the dog went to see what it was he discovered a dead woodcock. The bird had struck an electric wire and had its head cut off as clean as if it had been done with a knife. The feathers on the wire showed conclusively that the bird had been killed in that manner."

Rev. Archibald Campbell, of Lexington, will preach at Jackstown next Sunday afternoon at 3 o'clock.

Rev. Wm. E. Mitchell left Monday morning for Louisville with a couple of children of widow Mers. They will be placed in the Baptist Orphans' Home.

Eld. A. S. Morrison was called to Norfolk, Va., Monday, on business. He will be gone over next Sunday and there will be no services at his church.

Rev. W. J. Snively, of Nicholasville, filled Rev. Oney's pulpit at the Methodist Church Sunday morning and evening preaching two very interesting and instructive sermons.

Rev. Oney is rusticating for several weeks near St. Augustine, Fla.

The Baptist congregation of this city raised a sufficient amount last Sunday to relieve the Church from all indebtedness, which speaks well for the second year of Rev. Wm. E. Mitchell's pastorate.

THE closing exercises at the Colored Graded School, Henryville, last Friday night, was attended by a good crowd, and the exercises were of excellent character. The graduating class consisted of Charles Edward Thornton, John Henry Thornton, Josephine McClure, Harrison Square Hamilton, Callie Jane Wilson and Cornelius Coburn Williams. This school under the management of Geo. A. Benton, Principal, and Susie M. Brown, assistant, has done good work this year. The board consists of J. W. Owens, Owen Allen and W. A. Thornton.

ON Sunday night last some one entered the premises of Benj. Henry, at the old Squires place, and cut the skirts from his and his wife's saddle and stole a pair of buggy reins. On Tuesday Deputy Sheriff Sparks and Constable Megowan searched the premises of Geo. Baker, colored, who lives near the Buckeye school house, and recovered the stolen property. They found a portion of one of saddle skirts on Baker's boots—having been half soled with it. Baker and his two sons were arrested and placed in jail.

COL. BAIN'S lecture on the "Old Man and the New Woman" will be delivered in the Opera House on the night of Thursday, March 18th. The price of admission will be 35 cents for adults and 25 cents for children. Our people will be waited on by ticket sellers, and it is hoped a liberal patronage will be extended.

J. L. McDOWELL, who has for several years successfully edited the Robertson Advance, has retired from the paper and is succeeded by Mr. Geo. W. Jett and Mr. Humble. The new firm are experienced newspaper men, and will make the Advance a live local paper, we have no doubt.

THE lecture Col. Bain will deliver here on the night of March 18th is his latest and best. It has been greeted by large and appreciative audiences wherever he has gone. Our people will have a rare opportunity in hearing this gifted orator on the "Old Man and the New Woman." At Mozart Hall.

JOHN HENRY WREN, who was sent from Paris about ten years ago to serve a life sentence in the penitentiary for killing Wm. Ross, and was last Fall pardoned by Gov. Bradley, was indicted last week by the Harrison grand jury for assault and battery. The offense was beating his wife about two weeks after his return from Frankfort.

THE editor of the MERCURY acknowledges a serenade by the Vocophone band. He was at home by himself and afraid to come out.

FOUR more candidates announcements appear this week—two for Circuit Clerk, one more for Jailer, and one for Coroner. There are others.

W. A. BROWN lost on the streets of Carlisle, or near Carlisle, a canthook, which he would be pleased to have the finder return to him, as he needs it badly.

R. M. AND H. CLAY STONE, of Little Rock precinct, assigned Monday to R. C. Talbott. Assets 70 acres of land. Liabilities not known.

M. R. GILMORE, the Maysville marble man, died last week.

G. R. Keller and Geo. E. Motch, on behalf of the Fire Department, were present and requested the Board to purchase about 600 feet of hose, half dozen lanterns and two axes, which was promptly done upon motion of G. E. Smith with a second from A. Laubley.

J. A. Poindexter, of Cynthiana, was present asking for a 10-year franchise to erect Water Works; the city to bind herself to take 30 hydrants at $3,000 per year. The matter was passed until the next meeting.

The undersigned committee appointed by the City Council of the City of Carlisle at its stated meeting held on the first day of March, 1897, to express in a fitting manner its appreciation of the prompt and efficient response of the Paris Fire Company to an appeal for aid at the late disastrous fire in Carlisle; as well as to the authorities of the Louisville & Nashville Railroad for the readiness with which they furnished transportation to the Paris Fire Company and its engine to Carlisle, do hereby resolve,

THAT copies of these resolutions be forwarded to the Chief of said Fire Department, and to the Superintendent of the said railroad, and spread upon the records of the City Council, and published in the CARLISLE MERCURY.

### A CARD.

*Editor Mercury:*

At its last meeting the City Council refused positively to pass an ordinance granting to me the same protection in my business that is enjoyed by older and longer established merchants in this town. The ordinance which I asked to have passed for the protection of my business is exactly the same in principle as that under which Mr. Hechinger's agents have been sent to jail. But my ordinance was laid upon the table, while the ordinance protecting local merchants against Mr. Hechinger and others like him is enforced even at the expense of law suit after law suit against the city.

Why is it? Is it because I furnish employment to more laboring people than any merchant in town? Is it because the merchants are already established in business, and don't need protection? Or is it because the Council desires to drive new industries away from the town? My request was backed up by the signatures of at least one hundred good citizens.

Nobody ever asked for the Hechinger ordinance but the merchants themselves. Many good men are asking why these things are so. Another thing that is perplexing is; has a councilman any right to use his position to secure protection for his own business, and then turn around and use the same position to deny protection to some one else? Is this what is called a pull?

Hoping for information on these puzzling questions, I am yours,

Respectfully,

ALLIE SECREST.

### Land and Other Sales.

Auctioneer A. T. Forsyth reports the following sales to the Bourbon News:

Saturday for McMillian & Talbot, attorneys, lands of J. T. Barnett, deceased, lying on Cane Ridge—33 acres to James Cain, at $66 per acre; 51 acres to Chas. R. Walls, at $59 per acre.

Sold Monday for E. M. Dickson, Master Commissioner, house and lot near Cane Ridge postoffice, to Deposit Bank, of Carlisle, for $700.

Sold Monday for T. E. Ashbrook, Special Commissioner, the Millersburg Female College, to Dr. W. M. Miller, for $6,205. For same, as agent, to W. M. Miller, a lot of furniture for $700.

THE hop given to the young folks by Mr. J. B. Hornback and wife last Wednesday night was quite a success and enjoyed by all who attended. Quite a number present.

SQUIRE THOS. J. HENDRIX moved with his family to Owingsville this week. He wishes us to say that he thanks the good people of Carlisle for many kindnesses shown him.

WHY don't these gentlemen tell us poor cusses who can't raise enough cash for a pair of $1.50 cotton pants, why we can't get these pants? We have tried the tariff "for revenue only" racket on two or three concerns but they didn't care anything about the "tariff" they wanted the "revenue," then we tried the "confidence" racket, and that would not procure any more pants than the "tariff" racket did, those firms on whom we tried to work off some of our restored confidence said: "We want cash." If "confidence" is all the people lack it seems funny that we can't trade if for a pair of $1.50 cottonades.—[Exchange.

AT Versailles the jury acquitted Newton Lane of the charge of having murdered H. C. Rodenbough last August a year. Rodenbough was landlord of the hotel at which Lane was stopping and the trouble arose over Lane's complaint of his room. In the fight Rodenbough and his son were both killed, and the result of the investigation seems to point to the fact that the son killed the father with a stray shot, while Lane claims that he killed the son in self defense. It is said that the jury was composed of the most substantial citizens of Woodford County.

BALL BROS., of Woodford, sold to A. J. Smith, of England, the 5-year-old spotted gelding, Edison, by Monte Cristo, for $750. This is the second horse within two weeks that the Ball Bros. have sold to go across the ocean. Edison took several premiums at the Kansas City Horse Show, and is pronounced by Mr. Smith to be one of the best gaited and finest educated saddle horses he ever saw.—[Lexington Argonaut.

THE L. & N's earnings the third week of February were $396,705, against $385,330 the corresponding period last year; increase, $11,375.
