THE BALLOTING

For U. S. Senator began Tuesday noon, and the first ballot resulted as follows:

Hunter, 66; Blackburn, 48; Davie, (gold standard,) 11; Boyle, 6; McCreary, 1; Buckner, 1; Stone, 1. No election. No change in yesterday's ballot.

There has been considerable talk about bribery, and the speaker of the House has appointed a committee to investigate the charges.

Dr. W. Godfrey Hunter Monday night gave out an unqualified retraction of "anything that could be construed into a reflection upon the honor or character of any Republican member of the Legislature." This of course, refers to the charges against Senators Rummans and Hissem. The statement is satisfactory to Hissem, but Rummans is still refractory and will not vote for Hunter.

THE new high tariff bill is now before Congress. It restores the McKinley rates on most everything.

GOV. BRADLEY added new laurels to his crown in the Jackson-Walling matter. He is not afraid to let a guilty man die.

CORBETT has been licked, Jackson and Walling hanged, and yet the world moves right along. What small things we mortals be.

THE Louisville Courier-Journal has issued orders to its correspondents to refer to the regular Democrats of Kentucky as "Silverites." Thank the Lord we will soon have a paper in Louisville that will treat us with common decency.

MR. PUGH has determined upon the course to be pursued to get Postoffices under him. We have no right to object, but it looks to us like Mr. Pugh was laying the ground work for more trouble for himself and his party than he seems to think.

WATTERSON'S WAIL.

Mr. Henry Watterson, in a two-column editorial in last Thursday's Courier-Journal, calls upon his gold-bug Democratic friends to keep intact their organization, keep aloof from all association with the Democratic organization in Kentucky and fight them to the end. Mr. Watterson uses this strong language:

"The National Democrats must stand together like a stone wall. There is a battle for conviction. If the Silverites call a State Convention and nominate a Free Silver candidate for Clerk of the Court of Appeals, we must call a State Convention and nominate a Sound-money Democrat for Clerk of the Court of Appeals. Wherever the Free Silver candidate shows himself we must oppose him with a Sound-money candidate. Man for man, vote for vote, foot to foot, must we stand and fight this great battle for the right, with the weapons of reason and truth in our hand, with the flag of our country, and our whole country, over our heads; resolved, if need be, to die rather than see a single star in that bright galaxy of stars dimmed by the fever-breeding mists, the foul vapors of repudiation and anarchy.

"Now, gentlemen, of the other side, that is what you have to expect and to play to, and as it is your lead, you had better play trumps, and the biggest you have in your hand!"

Thus our readers will see the wisdom of cutting loose from Mr. Watterson and his gang. With entire agreement with Mr. Watterson the Democracy of Nicholas county has already acted, saying to his men, we do not want your votes at our primary and you must keep out. This is what Mr. Watterson advises his people to do, and so no great harm is done.

Outrageous Journalism.

The newspapers that paid $500 for an alleged confession of two scoundrels that is palpably a clumsy lie, got much the worst of a very bad bargain. To use the expression of the street, they were "gold-bricked," especially so in view of the fact that the statements of the so-called confession were accessible to other newspapers.—[Louisville Times.

There is a more distressing side to it than the "gold bricking" of the newspapers. It is currently reported over the country that the fake confessions were originated and prepared in a newspaper office in Cincinnati, which if true, ought to bring down on the heads of the originators the condemnation of the public, and the parties injured and outraged ought to bring suit for heavy damages, and the paper or papers ought to be made pay thousands of dollars.

Dr. Wagner is unfortunate in suffering with temporary insanity. The State has paid and is paying thousands of dollars to protect and cure him, and if the State does not now step in and protect him against a crime that is as villainous and as criminal as the murder of Pearl Bryan, then the State ought to go out of business and let the mob run things. IF, yet if you think the rains will never cease and that the world and all your possessions will be washed into eternity right soon, look up at the rainbow of promise and know that it cannot be.

If matters fail to go as you would like, don't blame everything and everybody. Look for the cause at your own door, You may be wrong when you most feel sure your neighbor is wrong. If you feel you are forsaken of your Lord, read the 121st Psalm.

If you are happy those around you will likely be so. If you would do the greatest good to the greatest number, try—all is in trying.

If you think well of your friends, tell them so. Don't wait till they are dead, and go around telling others.

If you are living for yourself alone, it has been told on you a thousand times, and you needn't deny doing so.

All this is yours free, and now if you want some advice which will make you money take this:

If you need any

A. R. Fisher wants to sell you a new Spring suit. He has something nice to show you.

All who are indebted to A. R. Fisher are asked to call and settle at once, as he needs the money now.

HOW TO FIND OUT.

Fill a bottle with urine and let it stand twenty-four hours, a sediment or settling will surely indicate a diseased condition of the kidneys. When your urine stains the linen it is evident you have kidney trouble. Too frequent desire to urinate is convincing proof that your kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, bladder and every part of the urinary passages. It corrects retention of urine and scalding pain in passing it, and will overcome that unpleasant necessity of being compelled to get up many times during the night to urinate. It stands the highest for its wonderful cures of distressing kidney and bladder diseases. If you need a medicine one should have the best.

At Druggists 50c and $1.00 size.

"I have taken several bottles of Dr. Kilmer's Swamp-Root and I find it has greatly benefited me. SETH. McMAHILL. Carlisle, Ky., Dec. 3, '96."
