FOR CONGRESS
HON. MORDECAI WILLIAMS,
OF NICHOLAS CO.

A TRIBUTE OF RESPECT

Three months ago Mary Belle Patterson, of Harrison County, was married to Hubbard Holliday at the Patterson homestead near Broadwell in Harrison County, yesterday her mortal remains were laid to rest in the beautiful Battle Grove Cemetery at Cynthiana. The unexpected death of this sweet young woman is indeed a severe shock to her host of friends, but is a reminder to us of how uncertain is life. Her wedding, which had been planned with much care and preparation, and which was to be on a scale commensurate with the loveliness of the bride and the worth of the groom, had to be postponed for many weeks on account of the serious illness of the groom, and was finally celebrated in the quietude of the sick room in the presence of a few intimate friends. They went to housekeeping on their own farm, and their prospects for many prosperous and happy days were exceedingly bright; to-day the home is desolate and dark, and the young husband is bowed down in deep grief. Surely life is full of disappointments.

Mary Belle Patterson Holliday was a lovely woman. Her home was always brighter, and her family happier, when she was with them. She came from the best of Kentucky's earlier citizenship, and the blood of the Pattersons and Tobins of pioneer days flowed in her veins and gave her strength of character. Her family of to-day are none the less honorable and none the less worthy of praise. The Pattersons of Harrison rank with the best people. ...

Stock and Farm.

... -- Harrodsburg Democrat.

Chappell & Colliver,

—PROPRIETORS OF THE—

CITY STORE.

The City Store, like every other house in the land, is now passing through its dullest season. The Fall is almost here; so it is too late to buy Summer goods, and too early for Winter goods.

There is an old adage: "You can't keep a working man down." The same may be said of the City Store. When the Fall trade opens, you will find the old house in line with the best of them, with one of the largest, best assorted stocks you have seen on our shelves and counters in years.

We are still pushing that

Clearance Sale

And it will be continued until our stock will be composed of fresh New Goods only.

All Light-colored LAWNS and DIMITIES at 5c.

The BARGAIN SHOES we have been telling you about are going. $1.50 is all we ask for them. We know they are cheap as dirt at that.

Just received a large line of OUTING CLOTHS and Canton Flannels.

Also a fresh new line of Men's Gloves.

Kids and Working Gloves.

Cassimeres of the best for Men and Boys.

Table Linens, Towels and Crashes.

Believe it or not, it does not alter the fact that this house is headquarters for LACE CURTAINS and COUNTERPANES. We are the people who carry the stock; likewise the people who sell them, and can prove it too, even if "Old Bill Jones is dead."

HOSIERY—The best selections and popular styles prevail in this department. We carry all grades and all prices, and sold on their merits.

NOTIONS.—We have looked well to the needs of this department. Aside from the staple articles in daily use, we carry a thousand and one little Novelties, always useful and ornamental.

CORSETS! We carry a large stock of these, which means a complete one; fit every one, both Ladies and Misses.

HATS and CAPS for Men and Boys.

Our Domestic Department is stocked with the best brands of Black and Brown Cottons; Shirting Cottons and the prettiest Prints to be found in the market.

Respectfully,

Chappell & Colliver.

An Old Adage Reads:

"THERE IS A PLACE FOR EVERYTHING."

Now for everything to be in its place the LOUISVILLE DISPATCH should be in the HOME of EVERY DEMOCRAT IN THE SOUTH. The Louisville Dispatch is the PEOPLE'S paper, OWNED by the PEOPLE and READ by the PEOPLE. THE DISPATCH is the only DEMOCRATIC paper published in Louisville. IT STANDS SQUARELY ON THE CHICAGO PLATFORM. It is not only in a flourishing condition after eighteen months battling against adverse circumstances but it is today the BEST News Medium in the South. And its MOTTO—"If You See It in the Dispatch It's So; If It's So It Is Always in the Dispatch," has been fully verified during the American-Spanish War, during which the superiority of its news service has been daily apparent.

THE DISPATCH NEWS SERVICE is furnished by the New York Sun, the Chicago Inter-Ocean, the Northern Press Association and The Leslie Syndicate, with an active Salaried correspondent in every important city in the world, besides its own staff of over 300 correspondents in Kentucky, Tennessee and Indiana. Get the Dispatch, it gives the news, and it tells the truth about it.

The Dispatch is Kentucky's greatest paper. You should be a reader. For the next few weeks we will club with the Weekly Dispatch at an extremely low price.

THE LARGEST FAMILY.

The premium offered by the Louisville Store, a suit of clothes for the father of the largest family of children, was won by Tom Hughes, colored, of near Jackstown who with his wife, Harriet, and 15 of their 17 children, walked into the store. He was born in Nicholas county 58 years ago, and his wife in this county 51 years ago. The children range in age from 33 to 9 years, and only two have died, a boy and girl. Those present were: Henry, Frank, Tom, James, Jesse and Charles Hughes, Bettie Hawkins, Mary Smith, Mattie Hutsell, Eliza Berry, Louisa Johnson, Ella Curtis, Margie, Annie and Christine Hughes. All live in Bourbon and Nicholas counties, near each other. Charles resides in Paris. They have 29 grandchildren. Each member of the family was given a present.

We clip the above from the Paris Kentuckian-Citizen's account of their Street Fair, and we desire to comment upon it for the benefit of those who think life is not worth living.

Tom Hughes, or Tom Piper, as some know him, is one of the most thrifty of our colored men. He is the owner of a small farm, and is known among his neighbors as an honest, hard-working man. He has reared the large family, and did it well—the most of them, if not all, are a credit to his fatherly care. His wife bears the same good reputation, and she is a hustler herself. She will be remembered as the mail contractor from Carlisle to Jackstown a few years ago, and she was always on time.

Rolls of Honor

The time of year has arrived for the various schools to be at work. THE MERCURY is glad to do what it can to encourage a higher grade of scholarship among the pupils and as a means to that end we shall be glad to publish the roll of honor of the various schools if the teachers will furnish them to us. The roll of honor should be what it assumes to be and should contain only the names of those who really excell. The roll of honor should contain only the names of a few of the best in each grade. While it embraces all or nearly all it ceases to be what it assumes to be and becomes merely a roll of the school. A high grade, say 85 at least, should be required and the examination should be rigid.

EXCURSION TO NATURAL BRIDGE AND TORRENT.

Returning, the train will arrive at Carlisle at 7:20 p. m. Get ready and go.

THE MERCURY office is indebted to Mr. J. D. Wyatt, of the Ewing Inquirer, for complimentary tickets to the Ewing Fair. This worthy institution will hold its annual meeting this year on September 7th, 8th, 9th and 10th, and it goes without saying that it will be a success. We advise our people to attend and help the good people of Fleming, who have the courage to undertake the work they have in hand.

Governor West is now at Portland, Oregon, and could not be at the burial of his only child.
