HAVANA can boast of 28 pound factories, which employ 20,000 people, including men, women and children. These factories have a capacity of 1,800,000 black and 300,000 colored persons each week. The Pinar del Rio district reached the maximum quantity of production in 1857, when 360,000,000 of which over 3,000 arrobas of dark wrapper.

Speaking of the recent published interview with Mark Hanna, Senator of West Virginia, was quoted as saying that his first choice for President was a member of the Senate, the Hanna's choice was Governor McKinley, and his second choice was Governor Bradley, who glad on account of his residence, would be acceptable to the United States. It is to be President. One of them was Governor Bradley, who glad on account of his residence, would be acceptable to the United States. It is to be President. One of them was other modesty forbade him to name.
