### RELEASING

The release of a small number of prisoners from the Federal reformatory at Lewisburg, Pa., is expected to take place in the near future. It is understood that the prisoners to be released are those who have completed their term of confinement and are considered to be well behaved and industrious.

### ONE OF TWO WAYS

It is not our policy to wait for trade business. We can do it; we have the personnel we must be up and at it. We mean to beat the market.
