MORNING GLORY.

—THE— OLD CITY STORE.

Chappell & Waugh, PROPRIETORS.

The President and the Governors of the several States of this great Republic have proclaimed that Thursday, the 24th inst., be kept as a day of Thanksgiving to the Giver of all good; for the preservation and care of us as a nation, and as individuals, during the past year. The labor of the husbandman has been blest with bountiful crops; there is abundance of food for man and provender for beast. Then too, our country has passed through a war with a European Nation, through which His hand led our armies, and brought them out victorious. It we could reckon them in order, we could not enumerate the blessings for which we are indebted. Surely we can say with the Psalmist: "The lines have fallen to us in pleasant places; we have a goodly heritage."
