Two Weeks From To-Day the Kentucky Conference will Convene in Carlisle
And while the good people are extending their kind hospitality to the army of Methodists, and brightening up their homes for a good appearance, they should by no means neglect their own personal appearance. If your clothes are old and shabby, your shoes about worn out and your hat is old you are ashamed of it, lay them aside and come and see our new stock, and see how cheaply and artistically we can dress you up for the occasion.
