The latest from Frankfurt.

THE OLD City Store!

Don't forget that I did not forget to look after some nice things for the holidays, and if you will come in and see what a nice line I have, I am sure you will be pleased both with my goods and prices. My goods are more useful and ornamental than any I have ever before offered, and can not fail to please.

RAY CAMERAS

Can You Read This Fine Print 12 Inches From The Eye?

Test for Visual Acuity.

If you can't, or if your eyes ought to be tested, think these matters over. Not reading too much, not using eye strain, not using eye strain, not using eye strain.

One of the Many Diseases of the Eye
