FIGHTING!

In regard to the fight between the American people and the British Empire, the following is a summary of the situation as it stands at this time.
The American people are fighting a desperate battle for their freedom and independence against the British Empire, which is determined to keep them in a state of permanent vassalage.
The British Empire is determined to keep the American people in a state of permanent vassalage, and will not rest until it has achieved its purpose.
The American people are fighting a desperate battle for their freedom and independence against the British Empire, which is determined to keep them in a state of permanent vassalage.
