Democratic State Committee.

At meeting of the Democratic State Executive Committee, at Louisville, Monday, it was decided to hold the Democratic State Convention at Louisville, May 24th, and the primaries to be held on May 20th. Mr. Wallace Wadlington, of Louisville, was elected Secretary of the committee, vice Mr. Maggie Bryan.

Mr. Wadlington, however, was the only candidate for the position, as Mr. Bryan declined to be a candidate. Mr. Bryan will serve as Assistant Secretary of State, and will also be a member of the committee.

Mr. Bryan's withdrawal was the result of a conference held in the morning between Governor Bradley, Mr. Bryan and Mr. Alfred Allen, at which it was decided that it would be best for the party if Mr. Bryan withdrew.

Mr. Bryan's withdrawal was made known to the committee by Governor Bradley, and Mr. Bryan's friends then took one step and the greater part of the committee took the other. It is thought to be impossible for an agreement to be brought about at present here, as to the end this session was many excited hours.

The Louisville Herald of Tuesday morning says:

The reported letter written by Secretary Mr. Bruce, attorney for Mr. Bailey to Governor Bradley, stating that Bailey would appeal the case to the Court of Appeals if the decision of the lower court would cause another long fight in the courts. If it is not decided by the Court of Appeals, Bailey will still litigation and the state will be forced to take charge of the property and do as they think best with it.

When asked to give his views on the letter Governor Bradley said: "I do not attempt to fully make up my own mind until he could know what was the real intention of the statement. I am not supposed the first thing to do would be to have a complete statement of the present condition of the assets and liabilities to make a careful examination of all property upon which the mortgage is claimed to be a lien, and to have the consent of the trustees and the stockholders, they would not be willing to assume the position of trustee."

Mr. Bailey seemed anxious to avoid anything that would create additional delay in the matter, and expressed the belief that the stockholders would adopt the plan suggested by the Governor at the first meeting held after the receipt of these letters. A meeting may be called this week, probably on Thursday.

Late Tuesday Gen. Wheaton's advance guard met the enemy in force between Pateros and Taguig and in a desperate engagement drove them from the position. The Americans had two killed and 19 wounded. The enemy's loss is unknown.

Later the enemy crossed the river and attacked the Americans on the left flank, but were driven back after a sharp engagement and their retreat with three wounded. In the meantime the Washington volunteers crossed in divisions and boats of rafts back from Pateros. One man was killed.

The Blue Grass R. & L. Association to Remain in Hands of Stockholders.

In Cincinnati Saturday afternoon, Judge Lurton, of the Federal Court, rendered a decision that the Blue Grass Building and Loan Association should remain in the hands of the stockholders as it was in the hands of the officers.

This is the end of more than a year's litigation concerning this association, and on the opposite parties wishing to make it a Federal Court matter, and on the other persons contesting such action. It was a victory for the latter.

It will be remembered that the original assignment by Mr. Bailey Dale to daughter was made by the then Board of Directors without any reference to the stockholders.

A great amount of dissatisfaction was manifested and the association called a meeting of stockholders in the Circuit Court room, was held, which resulted in the signal defeat for Mr. Carr and the stockholders are now happy.

Therefore a decision was filed in the United States District Court in Louisville for a contract, and Judge Barr granted it, which Judge Carr refused.

The question of doing away with the receivership altogether was sprung, and Judge Barr was called upon to respond to that petition. The case was taken by herself to the Federal Court in Cincinnati, and Judge Lurton decided the question Saturday.

The decision dissolves the present receivership, and re-establishes the association in its position prior to the assignment, with this notable exception, that there is an entirely different Board of Directors.

This body now consists of Messrs O. R. Keller, H. Kendall, T. E. Kinnard, J. W. Porter, Lexington, W. M. Moore, Owensboro, Ky., and J. I. Williamson, Carlisle, Ky.

The meeting more than a year ago by the Legislature lowering the rate of interest to be collected by building and loan associations, and the 5 per cent. limit went into effect. Most of the building and loan associations accepted the inevitable and prepared to conform to the new conditions. But the Blue Grass wanted a reorganization of its officers, and others wanted to go to sections. A fight began which resulted disastrously to the Blue Grass and the stockholders sue the officers. Charges were made that the officers had been embezzling all of the profits brought their salaries.

Those persons who wanted to quit business, through the directors but Mr. Keller successful assignee. The other members brought suit to set aside the assignment.

Saturday says that the decision of Judge Lurton was rendered this morning. The simply throws back into court and the greater part of the $700,000 stock has been lost. It is thought to be impossible for an association to do business under present laws, so in the end this association may succeed business.

Oscar Taylor Stabbed by Prof. Bristow.

The Cincinnati Post, of Saturday said: "Oscar Taylor was stabbed in the back by Professor Bristow in Music Hall Friday afternoon during the intermission between the acts of the opera 'Carmen.'

"Taylor, they said, last night his friend and the lie was passed. At this afternoon's performance Taylor was stabbed.

"Taylor then and again at the same time, and Taylor struck Bristow in the face with his fist. Bristow drew his knife and struck Taylor in the back of the shoulder.

"When bystanders separated the men and Bristow was taken to the police station. Bristow procured an eight dollar bail bond. After the fight Bristow was taken to the Cincinnati Hospital, where he was treated and released on $1,000 bond.

Taylor's wounds said to be the outcome of a quarrel between the two men over the daughters of Col. Ambrose Poland, the former was held, which resulted in a personal defeat for Mr. Carr and the stockholders are now happy.

Therefore a decision was filed in the United States District Court in Louisville for a contract, and Judge Barr granted it, which Judge Carr refused.
