VOTE FOR JUDGE HARDY in 1901 if you want a Democratic Legislature.

HON. JOHN W. YERKES, of Danville, is mentioned as a Republican candidate for United States Senator.

T. M. SHARP was his unanimous choice for Representative at Republican caucus last night. We endorse the choice.

It is said that Admiral Dewey has no knowledge of the fact that admiral friends that he is engaged to Miss Hazen, of Washington, and that he will probably marry during the early Summer.

Hon. W. T. Thompson, Democratic nominee for Congress in the Ninth district, returned in the Court house here last night to the interests of the Democratic ticket. He kept his records a secret—another damfool idea.

Prince Henry, of Prussia, will arrive in New York on the 11th inst., and will remain in the city until the following night. We suppose Prince Henry will speak at Grace Church while he is in the city. Possibly he will speak at the Fifth Avenue Baptist Church. Both of these places are noted for their missionary work.

Every man who attempts to make a speech this week, who is not thoroughly posted on the issues of the campaign, will be guilty of a criminal offense—illegal or unlawful are not to be used, as homicide is not a crime. Therefore, we intend others to observe the law.

Some election officers have been known to make mistakes in counting votes, but we have never known any of them to count the ballots in favor of the candidate for whom they did not vote. Democratic election officers will count the votes as they are cast, and will not count any votes for a Republican candidate.
