That Cough Hangs On

You have used all sorts of cough remedies but it does not yield; it is too deep seated. It may wear itself out in time, but it is more liable to produce a gripper, pneumonia or a serious throat affection. You need something that will give you strength and build up the body.

SCOTT'S EMULSION

It will do when everything else fails. There is no doubt about it. It restores strength, builds up and makes the body strong and healthy, not only to break the head cold, but to fortify the system against further attacks. If you are thin and weak, or emaciated, you should certainly take this powerful and medicinal food.

CANCER IS DEADLY!

Results Evident in Nine Cases of Test A.

This fearful disease often first appears as a hard, painless swelling of the testicle, which gradually increases in size and weight. It is often mistaken for a hernia, or a simple enlargement of the testicle. But if neglected, it will eventually lead to the formation of a cancerous growth, which is almost always fatal.

Stop Coughing

Every cough makes you tired, sore and irritable. Every cough is a warning of some internal ailment. Coughing every day is a sign of some disease of the lungs, and if neglected will lead to consumption.

Ayer's Cherry Pectoral

From the first dose the cough and the fever cease. The inflamed membrane of the throat is soothed, the action of the lungs is restored, and the system is purified.
