ASK YOUR DOCTOR!
Ask your physician this question, "What is the one great remedy for consumption?" He will answer, "Cod-liver oil." Nine out of ten will answer the same way.
Yet when persons have consumption they loathe all fatty foods, yet fat is necessary for their recovery and they cannot take plain cod-liver oil. The plain oil defiles the stomach and takes away the appetite. The disagreeable fishy odor and taste make it almost unendurable. What is to be done?
This question was answered when we first made
SCOTT'S EMULSION
of Cod-Liver Oil with Hypophosphites. Although that was nearly twenty years ago, yet it stands alone today the one great remedy for all affections of the throat and lungs.
The last taste and odor have been taken away, the oil itself has been made so that the most delicate can take it, and it is almost as palatable as cream. Not one in ten can take and digest the plain oil, but most of us can take SCOTT'S EMULSION and digest it. That's why it cures so many cases of early consumption. Even if already cured it helps to comfort and greatly prolongs life.

Creeping Consumption
Do not think for a single moment that consumption will ever settle you a sudden blow. It creeps on you by slow degrees, by easy stages. First, you think it is a little cold, then a cough, then a little pain in the breast, then night sweats, then a harder cough still, then a further pain in the breast.
The saddest part of the saddest comes when you have a fearful cough, and you know that you can do it with

What an Original Goebel Paper Has to Say.
Now that the election is over and the Republicans have won the State of Kentucky, and the rest of the World, the South and the devil, let all men who claim to be Democrats get together, forget their differences in this fight and line up shoulder to shoulder for next year's fight. The Brown Democrats, who have been deserted by and feel the sad sadness of Wilson Jeweniun Bryan, will live to see the day when they will be glad to shake hands and the gold Democrats who have come back to the old Democratic party to help us, will be glad to do the same. Then we ought to be able to carry Kentucky next year by a majority of 25,000 votes. We are all par Brans and most of us believe that the best way to get rid of the present trusts and unlawful combinations is to vote for Bryan and with good sound and sober Democracy to the polls next November and overwhelm the Republicans.

Dr. W. Wilson, Daily Bill, N. Y., says, "I heartily recommend Piso's Cure for Consumption. It gave my wife instant relief." Sold by druggists. Piso's Cure is pleasant to take. Never fails to check a cough, cold, throat or lung trouble. People's Drug Co.

Let The Right Prevail.
If Taylor has received a plurality of the popular vote for Governor on the face of the returns, he is entitled to the office, and the Democrats of the State ought to call the Supreme Court of Appeals to account for the fraud that was committed with so much grace as possible. Let the right prevail. Let the will of the people be done.—Georgetown Times (Dem. and Democratic).

Tax Increase.
Tax boot which is expressed through the world this year is eight per cent. The tax of Bourbon county, Ky., is 8.30 cents on the $100 valuation. Fifty years ago the tax of Bourbon county was 50 cents on the $100 valuation. Fifty years ago the tax of Bourbon county was 50 cents on the $100 valuation. Wanamaker's Idea.
Advertisements are advertisements says John Wanamaker, the largest merchant in the world. To him taking down your sign. If you want to do business you must advertise. If you want to do business you must advertise. If you want to do business you must advertise. If you want to do business you must advertise.

Democrats Have an opportunity to make a record for economy. The Republicans have had their turn. Let the Democrats get together, and see how much they can save the people. Let them show that they are the party of economy. Let them show that they are the party of economy. Let them show that they are the party of economy
