CLIPPED

From The Mt. Sterling Advocate, Oct. 16, '99.

Dr. Harraes.

Dr. J. Harraes and his assistants, after a long stay, and from what we know, a profitable one, have left our thriving, bustling city for other parts. When he came there were doubting Thomases not a few, and really the Doctor had to prove himself. In this work he was not long engaged in clearing the way, and soon his office became one of the busiest places of our city. We are informed that he fitted more than 500 pair of glasses, and what is more wonderful we have not heard of even one dissatisfied patron. Dr. Harraes is truly what he professes to be, an optical specialist, a cultured gentleman, moral and upright. Had he been an impostor in the slightest degree he would have been known as such here where competition is sharp.

Dr. Harraes and his assistant, Mr. Eason know how and do reach the public through legitimate advertising. We see from the CARLISLE MERCURY that they are now located at Carlisle, where they will doubtless do a profitable business. They have our best wishes wherever their lot may be cast.

We desire to thank the Editor of the Advocate for so kindly expressing himself in our behalf. Indeed, the writer of the above article is a man of great courage, and sound, moral convictions, as most editors wouldn't bother about saying anything, especially after the Doctor has left the place, and perhaps never to return to even say—thanks. The Advocate well merits its name, and no wonder it has such a large circulation. People love to read a paper edited by such a man, who is not afraid to express his convictions, even though he is criticised for it. The editor is right in saying that there were a number of doubting Thomases in the start. [illegible]

GEO. H. EASON, Secretary.

IT'S NOT THE PRICE YOU PAY

For Your Living Every Day, But It's What You Get For Your Money!

You may be a millionaire; you may own a palace fair,
In a land that ever "flows with milk and honey;"
You may pay the biggest price; but that really "cuts no ice"
For it's WHAT YOU GET FOR YOUR MONEY!

You may be a Son of Toil, amid the world's turmoil,
Have to hustle every day—and that's not funny!
Still, as through this life you go, all joys here below
Depend on WHAT YOU GET FOR YOUR MONEY

Suits and Overcoats = $5.00.

Not that we HAVE not, and don't WANT TO SELL better Suits and Overcoats of all kinds, and all prices, to $25 and $35,—for which we sell the Famous STEIN-BLOCH Clothing,—"finest ready-to-wear in the world." But we simply take our LOWEST-PRICED Goods as an example. They are the best WE ever saw for the price; and we believe, the best YOU ever saw. WE GUARANTEE THEM, and ask the people to buy them on our guarantee—particularly the people who work hard enough for their money to make them want the Greatest Possible Value for it. BOYS' Knee-Pants Suits, $1.50 to $8.00; Long-pants Suits, $5 to $18. EVERYTHING in Furnishings—the extremely fashionable and the Standard kinds. That's what we sell. And we're not trying to do a "hurrah" business, or a "fake" business, or a business based on ANY kind of FICTITIOUS business principles. We are doing a straightforward, legitimate business—with EXPERIENCE, and ENTERPRISE, and BRAINS and CAPITAL in it; and we want to do some business with YOU.
