

Remember That Every Day Is A Bargain Day At Our Store.

H. C. LEE C. O. D.

Our New Quarters...

One month ago we moved into our NEW QUARTERS on Main Street in the building adjoining Ruffin's Grocery. Since that time we have been busy arranging our goods, and especially in waiting on our customers. All of our old customers came to our new place and MANY people who have not been trading with us heretofore are now adding to our already large list of patrons. In spite of extra competition our sales for the past year have been larger than for any year since we have been in business and this is especially true of the past month, in which our business has exceeded our most sanguine expectations.

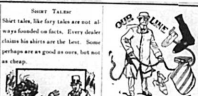

Now, friends, right in the act we want to say that there is no amount of comparison to be made here. The stores are carefully considered and ranked by the STRAIGHT FACTS. In the town, as in the country, the stores are ranked by the STRAIGHT FACTS. In the town, as in the country, the stores are ranked by the STRAIGHT FACTS.
