DEMOCRATIC TICKET

For Congress
JAMES S. ALSOP.

For Governor
W. O. BRADLEY.

ANNOUNCEMENTS

FOR MAGISTRATE.
We are authorized to announce
W. W. BEATY
As a candidate for Magistrate at the Fourth Carlisle Magisterial District, subject to the action of the Democratic party.

The Democratic Committee was wisely republished the so-called committee.

EX-GOV. TAYLOR has Lorgotly withdrawn from the race for Governor in favor of the nomination of Hon. John W. Yerkes as looked now as a foregone conclusion.

THE Hon. John D. Clardy says he will not be a candidate for Governor! Dr. Clardy says he has refused from politics and will not attend the Louisville convention.

No man in a true Democrat who would refuse to keep out our fences before the Democratic ticket. No man is a Democrat who opposes those who have stepped away behavior.

Since the Democratic convention has declared the so-called convention of Saturday, June 16th, a fact. Mr. Hugh Johnson has withdrawn to the race for Magistrate.

GEN. "Jack" Hendrick, who is now living in New York, has been made Lincoln in Kentucky. Gen. Hendrick is a good man and a good citizen, and would make a good law maker.

THE Democratic Committee has declared the so-called convention of Saturday, June 16th, a fact. Mr. Hugh Johnson has withdrawn to the race for Magistrate.

Mr. Arthur is stating the object of the meeting and that this meeting of the Committee was to devise some means to harmonize the party relative to the convention that was called for Saturday, June, 9th, to nominate a race ticket for Magistrate to succeed Esq. It is known democratic men are much complained of the irregularities had been practiced in the call.

E. T. Ecker moved that this Committee ratify the action of the convention as set forth in the Carlisle Democrat in the issue of June 7th, and signed John Harper, Chairman and E. T. Fuller, Secy. Put upon a vote the motion was lost and the convention was consulted.

Mr. Henry offered the following resolution: that the Democratic primary election in the Magisterial District on the 16th be named at this meeting to nominate a candidate for Magistrate, and that the polls be opened at 1 o'clock Saturday, July 21st was agreed upon as the day to hold the same, and it was ordered that it be held in the regular way and manner as was done at the last primary election. Mathias Mac Wm. Ware and H. C. Hall were appointed judges of election. Messrs. Jeffer, Kelly Holliday and Chas. Wm. Bowers, Sherman Hall, Jas. Ware, Jas. Bowden and Geo. Hall were appointed clerks.

Hon. Jas. S. Kemper was in consultation without a meeting. The present can oppose him on the ground that he was not fairly nominated. But he will supported leaders do not close the doors many Democrats will not be able to get into the Fall.

The action of the County Committee last Saturday in refusing to recognize the call issued by the so-called committee pursuant to, select a candidate for Magistrate, was the wise thing to do from the heart, and we think it also obtained a second choice.

The Democrats of Nicholas met in Mass Convention at the Court House in Carlisle for the purpose of selecting delegates to the State Convention at Louisville to-day, and organized by Judge Ed C. Oliver acting as Chairman and Dr. S. H. Nelson Secretary. We have been unable to get the list of delegates, but we understand it is composed of the good boys, renegades and what not, which we consider the right kind.

The Democratic Committee met last week to endeavor to call a convention to settle the question of who should be the Democratic candidate for Magistrate in this district. The committee met in pursuance of the call issued by a majority of the Democratic party, however, a majority of the committee refused to meet with the majority and organize, and as a result there were two meetings held, each claiming to be the regular committee. The meeting of the majority of the committee was held at the Court House, and was called to order by Chairman John Harper, and organized by electing Mr. W. W. Beaty Secretary. The meeting was addressed by Messrs. Arthur, Kemper and others, and resolutions were adopted calling a convention to be held at the Court House on Saturday, June 9th, at 1 o'clock p. m., to nominate a candidate for Magistrate, and appointing delegates to the State Convention at Louisville to-day. The minority of the committee met at the Court House on Saturday, June 2nd, and called a convention to be held at the Court House on Saturday, June 9th, at 1 o'clock p. m., to nominate a candidate for Magistrate, and appointing delegates to the State Convention at Louisville to-day.

The Black Diamond

Democracy is Now Immortal.

Some of the Black Diamond fast men are now in the race for Magistrate. Mr. Mercer, Jones for whom the Democratic convention was called, and Mr. Arthur, Jones for whom the Democratic committee was called, have been unable to get in the list of delegates, but we understand it is composed of the good boys, renegades and what not, which we consider the right kind.

25 Years of Paper.

The Twenty-fifth Anniversary Edition of The Courier-Journal, which appeared last Sunday, was a remarkable publication. That paper would be remarkable at any time, but as a special edition of a newspaper it is unusual. It and up to date, but it was also a history of the past quarter of a century. It was a history of the progress of the country, and of the part which The Courier-Journal has taken in that progress. It was a history of the men who have been identified with the paper, and of every country and every section. It was a history of the world for the past twenty-five years. It was a history of the United States, and of every country and every section. It was a history of the world for the past twenty-five years. The Work of The Mercury

We take considerable of our space to-day to explain to our readers why we have not published a paper for the past two weeks. We have not been idle, but have been busy getting out the Democratic ticket. We have also been busy with our business, and have not had time to attend to the publication of the paper. We have also been busy with our business, and have not had time to attend to the publication of the paper. OUR CENTENNIAL EDITION.

The CARLISLE MERCURY, perhaps the oldest paper in the Northwest state, and last week with a large illustrated edition, issued its "Centennial Edition," in which it gave a very interesting history of the town and county, including the photographs of many prominent citizens, business men, and also historical sketch of the famous Blue Lick Springs. The is a very creditable and worthy of the hearty support of the centennial. Good paper, good luck.—District Deputy.

The CARLISLE MERCURY last week got out a handsome centennial edition, printed on fine book paper and containing a number of cuts of public buildings, business men and public officials and a history of the county. The publication is a creditable illustrated edition, and quite as large as ordinarily as the MERCURY, but both of them printed at home by home printers and is creditable of the character of printing done by the home printers office. We wonder a number of the paper, containing a history of the county was issued.—Hopkinsville Kentuckian.

It is well gotten up and reflects credit upon the head of the head of the old general Ireland.

If any body knows a cleaner or more high toned and independent gentleman than Simon Keller, we should like to see that man.—Frankfort Roundabout.

The CARLISLE MERCURY celebrated its edition in a blaze of beauty, doing credit to the town, the county and the paper and men. Stanley Keller, and all the skill of the practiced hand of Typographical J. W. Fowling.—Lexington Leader.

The CARLISLE MERCURY'S centennial issue was examined by County Judge Ed C. Oliver.
