Help... Nature

Babies and children need proper food, rarely ever medicine. If they do not thrive on their food something is wrong. They need a little help to get their digestive machinery working properly.

SCOTT'S EMULSION OF COD LIVER OIL

will generally correct this difficulty. If you will put from one-fourth to half a teaspoonful in baby's bottle three or four times a day you will soon see a marked improvement. For larger children, from half to a teaspoonful, according to age, dissolved in their milk, if you so desire, will very soon show its great nourishing power. If the mother's milk does not nourish the baby, she needs the emulsion. It will show an effect at once both upon mother and child.

The Manly Art of Self Defense.

Tutt's Pills Cure All Liver Ills. ARE YOU BANKRUPT in health, constitution undermined by extravagance in eating, by disregarding the laws of nature, or physical capital all gone, if so, NEVER DESPAIR. Postmaster Holmes, of Frankfort, wired the Postmaster General and asked what he must do about delivering the State's mail while two sets of officers were claiming it. The answer told him where the mail was directed, for instance simply to the State Auditor, he must deliver it to the Auditor's office in the statehouse; if directed to Gus G. Coulter, State Auditor, it must be delivered to Coulter. If directed to John Sweeny, State Auditor it must be delivered to Sweeney. The same rule to apply to all the State officers.

For Over Fifty Years.

A new market has been opened up for the American trotter in Spain. The chestnut stallion J. F. Hanson 2:19¼, by Hambletonian Wilkes, was sold last week by J. C. McElroy, of Pittsburg, to a horseman of Seville. This is said to be the first American trotter that ever went to Spain. He made his record in 1897.

A Good Cough Medicine for Children.

"I have no hesitancy in recommending Chamberlain's Cough Remedy," says E. P. Moran, a well known and popular baker, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or any other harmful drug." Sold by S. P. Baird.

The Goebel Reward Commission met at Frankfort last week, organized and fixed the rewards which are to be paid out of the $100,000 appropriated by the Legislature for that purpose. The amount offered is $5,000 for the arrest and conviction of each assessory or principal. Judge Joseph H. Lewis was elected chairman of the board.

LINGERING LA GRIPPE COUGH.

G. Vacher, 157 Osgood St., Chicago, says: "My wife had a very severe case of lagrippe, and it left her with a very bad cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. A 50 cent bottle cured her cough entirely." Price 25c. and 50c. —S. P. Baird Druggist.

No Hats in Church.

The ladies of the churches in Mason City, Iowa, have adopted the reform of removing their hats during services, and the reform was begun by the officials board of the Methodist church of that city passing the following resolutions.

Prevented a Tragedy.

Timely information given Mrs. George Long, of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her and she writes this marvelous medicine also cured Mr. Long of a severe attack of Pneumonia. Such cures are positive proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50c and $1.00. Every bottle guaranteed. Trial bottles free at Tureman & Sons Drug Store.

The Kentucky Christian Education Society, now forty-three years old, has educated four hundred and fifty Preachers, some of whom are among the distinguished Ministers of the Christian Church.

An Honest Medicine for La Grippe.

George W. Waitt, of South Gardiner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account but profit to the vendor.
