WE ARE NOT MAD.

It is not mad to believe that the world is full of trouble and that we must do something to help it.

It is not mad to believe that the world is full of trouble and that we must do something to help it.

It is not mad to believe that the world is full of trouble and that we must do something to help it.

It is not mad to believe that the world is full of trouble and that we must do something to help it.
