

Christmas 1901.

The Christmas season is upon us, and with it the season of giving. It is a time when we should be thinking of the needs of our friends and neighbors, and of the ways in which we can best help them. It is a time when we should be generous and kind, and when we should be giving of our hearts as well as of our hands.

It is a time when we should be thinking of the poor and the needy, and of the ways in which we can best help them. It is a time when we should be generous and kind, and when we should be giving of our hearts as well as of our hands.
